I will be ninety years old in November, 2013. I would like to testify from my earliest memories my father used the water from the springs both north and south of the road on our property east of the Bear River for stock water and irrigation. I remember putting poisoned oats down squirrel holes while my dad was irrigating. I'm sure he was doing what Bill Larkins, the previous owner, had done. We have used this water continuously since then

Marnie Hogan Wilker
