RE: Corrections to Water Rights 72-16824, 72-16827, and 72-16830

Dear Water Right Owner(s):

A review of the above water rights revealed two data entry errors. The first error is on item #3 under the **Conditions of Approval** on page 2. The water right proof reports you received several weeks ago indicate "...A COMBINED TOTAL OF 7.9 ACRES IN A SINGLE IRRIGATION SEASON." The "7.9" acres has been corrected to "7.6" acres to reflect the actual POU Total Acres as illustrated below.

The second error is in the **Place Of Use** grid on page 1. The acre amount in SWSE (L7) was 4.5 and the acre amount in SESE (L8) was 3.0. The two acre amounts have been corrected to 4.3 and 3.2 respectively. The POU total acres remains unchanged at 7.6 acres.

I have included corrected copies of 72-16824, 72-16827, and 72-16830. Please discard the proof reports you received several weeks ago.

If you have any questions, please call me at (208) 293-9916.

Sincerely,

Kent Aasa
Water Resource Agent Senior
