THIS FEE AND LEASEHOLD MORTGAGE, ASSIGNMENT OF LEASES AND RENTS, SECURITY AGREEMENT, FIXTURE FILING AND AS-EXTRACTED COLLATERAL FILING ("Mortgage"), dated as of November 25, 2023, from Cyprus Thompson Creek Mining Company, a Nevada company, as mortgagor ("Mortgagor"), in favor of The Bank of Nova Scotia, as Administrative Agent for the benefit of the Lenders ("Mortgagee").

Reference is made to that certain Third Amended and Restated Credit Agreement dated as of September 8, 2023 (as amended, supplemented, restated or otherwise modified from time to time, the "Credit Agreement") among Centerra Gold Inc., as borrower ("Borrower"), the financial institutions initially party thereto, as lenders, and Mortgagee, providing for certain credit facilities to Borrower. Capitalized terms used herein and not otherwise defined shall have the meaning set forth in the Credit Agreement. Mortgagor has guaranteed the Secured Obligations of Borrower under the Finance Documents and has agreed that the Secured Obligations be secured by this Mortgage.

THEREFORE, Mortgagor hereby covenants and agrees as follows:

SECTION 1
Grant of Security Interests

1.01 The Mortgagor hereby grants, conveys, mortgages, transfers, assigns and pledges to the Mortgagee and hereby grants to the Mortgagee a mortgage lien on and a security interest in and upon, all of Mortgagor's estate, right, title and interest in, to and under all the following described property (collectively, the "Real Property") whether now owned or held or hereafter acquired from time to time:

(a) The real property and patented mining claims located in Custer County, Idaho and more fully described in Exhibit A attached hereto and made a part hereof as if fully set forth, together with all existing and future easements and rights affording access to it (the "Patented Land");

(b) All interests the Mortgagor may have or may hereafter acquire in those certain unpatented mining claims and millsite claims described in Exhibit B attached hereto and made a part hereof as if fully set forth (the "Unpatented Claims")(together with the Patented Land, the "Land");

(b) All interest which Mortgagor may have or may hereafter acquire in all water, water rights and the permits and other evidence of authority or approval to appropriate and/or use ground or surface water in connection with the Land including, without limitation, the water

rights described on Exhibit C attached hereto and incorporated herein, together with all changes, amendments, modifications or replacements thereof (collectively, the "Water Rights");

(c) All buildings, structures and improvements now located or later to be constructed on the Land (the "Improvements") and all appurtenances and other property and interests of any kind or character, whether described in Exhibit A or B or not, which may be reasonably necessary or desirable to promote the present and any reasonable future beneficial use and enjoyment of the Real Property and Improvements;

(d) All rights of Mortgagor under those mining leases described on Exhibit D attached hereto and incorporate herein by reference (the "Mining Leases");

(e) Except as reserved to the United States of America, all existing and future appurtenances, privileges, easements, franchises, hereditaments and tenements of the Land, including all minerals and ores, together with all dips, spurs and angles, minerals and ores therein, mineral products, oil, gas, geothermal resources, other hydrocarbons and associated substances, sulfur, nitrogen, carbon dioxide, helium and other commercially valuable substances which may be in, under or produced from any part of the Land, possessory rights, privileges, franchises and the all development rights and credits incident, appendant, appurtenant, or therewith usually had and enjoyed, air rights, water courses, and water stock, easements, rights-of-way, gores or strips of land, and any land lying in the streets, ways, alleys, passages, roads or avenues, open or proposed, in front of or adjoining the Land and Improvements;

in each case, excluding any Excluded Assets.

1.02 There is hereby assigned to Mortgagee the lessor's interest in any and all leases of the Real Property and/or Personal Property, as hereinafter defined, or any portion thereof, now or hereafter owned or entered into by Mortgagor or any other party claiming by, through or under Mortgagor. (All of said leases and any and all interest in said leases or any guarantee thereof, in each case, excluding any Excluded Assets, shall hereinafter be referred to as the "Leases"). The lessees under the Leases may and shall rely upon the receipt of any notice from Mortgagee that the Enforcement Date has occurred and thereafter Mortgagee, or Mortgagee's designee, shall be paid all rents due under the Leases until the lessees thereunder are notified otherwise in writing by Mortgagee or until directed otherwise by a final judgment of a court of competent jurisdiction. Although it is the intention of the parties that this Mortgage shall be a present assignment, Mortgagee shall not exercise any of the rights or powers conferred in this Section 1.02 until the Enforcement Date has occurred, but upon the occurrence of Enforcement Date Mortgagee shall be entitled to all the above-mentioned rents, issues, profits, rights and privileges, and to apply the same in its sole and absolute discretion.

1.03 Mortgagor grants Mortgagee, pursuant to Idaho law and the Uniform Commercial Code as in effect on the date hereof in Idaho, a present and continuing security interest in and to all goods, equipment, fixtures, building materials, books and records of Mortgagor, now or which may hereafter be located on or used in connection with the Real Property, together with all contract rights, plans, specifications and other similar documents, rights to trademarks and names of Mortgagor and goodwill associated therewith, all minerals and associated byproducts mined

or obtained from the Real Property, including, without limitation, all clays, metals, mineral-bearing ores, precipitates, concentrates, as-extracted minerals, or the mineral-bearing material which is mined, removed or extracted from the Land, or which is derived from the matter mined, removed or extracted from the Land, and all proceeds thereof, all general intangibles, accounts, investment property, deposit accounts, chattel paper, documents, letter of credit rights, letters of credit, money and instruments with respect to said Real Property and policies of insurance arising out of or in connection with the Real Property or the herein described property, all proceeds of any fire and/or builders risk insurance policy or any other policy insuring the Real Property or the herein described property against any other perils, and all awards made in eminent domain proceedings, or purchase in lieu thereof, with respect to the Real Property or the herein described property, together with all additions to, substitutions for, proceeds of, changes in or replacements of the whole or any part of said personal property and this instrument shall constitute a security agreement with respect thereto. (All of the foregoing are herein referred to as "Personal Property" provided that, Personal Property shall exclude, and such security interest shall not extend to, Excluded Assets.

The Personal Property, Real Property and Leases are collectively referred to as the "Property").

THIS MORTGAGE CONSTITUTES A SECURITY AGREEMENT, AND, UPON RECORDATION IN THE REAL PROPERTY RECORDS OF EACH COUNTY LISTED IN THE EXHIBITS HERETO, SHALL CONSTITUTE AN EFFECTIVE FINANCING STATEMENT AS TO ALL PORTIONS OF THE PROPERTY COVERING MINERALS OR THE LIKE, ACCOUNTS SUBJECT TO SECTION 9-103(5) (OR CORRESPONDING PROVISION) OF THE UNIFORM COMMERCIAL CODE, AND ALL PORTIONS OF THE PROPERTY CONSTITUTING FIXTURES OR AS-EXTRACTED COLLATERAL, AS THOSE TERMS ARE DEFINED IN THE UNIFORM COMMERCIAL CODE, AND AS TO ALL REPLACEMENTS, SUBSTITUTIONS, AND ADDITIONS TO SUCH PROPERTY AND THE PROCEEDS THEREOF. FOR PURPOSES OF THE SECURITY INTEREST CREATED HEREBY, MORTGAGEE IS THE "SECURED PARTY" AND MORTGAGOR IS THE "DEBTOR." MORTGAGOR IS THE RECORD OWNER OF THE PROPERTY.

1.04 This Mortgage is for the purpose of securing the Secured Obligations under and as defined in the Credit Agreement (collectively, the "Obligations").

SECTION 2

Warranties and Covenants of Mortgagor

2.01 Mortgagor represents and warrants that:

- (a) To its knowledge, Mortgagor has full, complete and marketable title to the Patented Land and the Water Rights that are Material.

For the purposes of this Mortgage, "Material" means necessary for the development, construction and mining operations of Mortgagor at the TC Mine in all material respects as contemplated by the Mine Plan.

- (b) Regarding the Unpatented Claims: to its knowledge, (a) the Unpatented Claims that are Material are in good standing and Mortgagor has good title to and owns the entire undivided legal and equitable interest in the Owned Unpatented Claims that are Material, subject to Permitted Liens, the paramount title of the United States of America, and the rights of third parties to the lands within such Owned Unpatented Claims pursuant to the Multiple Mineral Development Act of 1954 and the Surface Resources and Multiple Use Act of 1955; (b) Mortgagor has good right and full power to assign, convey, mortgage, pledge, sell and transfer the Owned Unpatented Claims that are Material; and (c) the Owned Unpatented Claims are free and clear of all liens, except Permitted Liens.
- (c) Each Mining Lease to which Mortgagor is a party that is Material is in full force and effect in all material respects and Mortgagor is not aware of any act or omission, nor has Mortgagor received notice from any third party of any act or omission, which would constitute a material breach, default or violation by Mortgagor of any such Mining Lease. Mortgagor expressly disclaims any representation or warranty concerning the existence or proof of a discovery of locatable minerals on or with respect to any of the Real Property.
- (d) This Mortgage is and will remain a valid and enforceable first lien on the Property subject only to the Agreed Security Principles and the Permitted Liens.
- (e) Mortgagor is not a foreign corporation, foreign partnership, foreign trust, or foreign estate (as those terms are defined in the Internal Revenue Code of 1986, as amended, or the regulations thereunder).
- (f) The Water Rights that are Material are in good standing with the Idaho Department of Water Resources ("IDWR"), and Mortgagor has paid all fees, complied with all deadlines (or obtained necessary extensions), and performed all other work, acts, or other obligations required as of the date hereof necessary or advisable to maintain in all material respects the availability, validity and good standing of the Water Rights that are Material.

2.02 Mortgagor shall pay all reasonable costs and expenses of the Mortgagee and their respective agents, officers and employees (including, without limitation, reasonable legal fees and disbursements) incurred with respect to:

- (a) the preparation, perfection, execution and filing of this Mortgage and the filing of financing statement(s) and financing change statement(s) with respect to this Mortgage;
- (b) the exercising of any or all of the rights, remedies and powers of the Mortgagee under this Mortgage; and

- (c) recovering or repossessing the Property and any other proceedings taken for the purpose of enforcing the remedies provided herein, including, without limitation, the appointment of a receiver, manager or receiver and manager, whether by order of the court or by private appointment.

All such costs and expenses shall be payable by Mortgagor to the Mortgagee on demand and shall bear interest in accordance with Section 7.3(c) of the Credit Agreement, which interest shall be calculated and compounded monthly and payable on demand.

2.03 During the existence of this Mortgage, Mortgagor agrees to maintain policies of insurance required by the Credit Agreement.

2.04 Except as permitted under the Credit Agreement, Mortgagor shall not transfer any all or any part of the Property or create or permit or allow to exist or be created any Lien on any of the Property, other than this Mortgage and the Permitted Liens. If any such Lien shall be filed against the Real Property, Mortgagor shall promptly and at its sole expense have such lien or encumbrance removed, unless otherwise specifically permitted in the Credit Agreement.

2.05 Subject to the Agreed Security Principles, Mortgagor shall execute, acknowledge and deliver to Mortgagee, and, if applicable, cause to be executed, recorded and/or filed at Mortgagor's cost and expense, any and all such mortgages, assignments, transfers, assurances, control agreements, financing statements and other instruments and documents and do such acts as Mortgagee shall from time to time reasonably require for the better perfecting, assuring, conveying, assigning, transferring and confirming unto Mortgagee the property and rights herein conveyed or assigned or intended now or hereafter so to be. Mortgagor hereby authorizes Mortgagee to file any and all financing statements and amendments thereto in such form and in such locations as Mortgagee deems necessary or appropriate in connection herewith. The parties agree that this Mortgage shall constitute a security agreement under the Uniform Commercial Code and that a carbon, photographic or other reproduction of this Mortgage or of a financing statement shall be sufficient as a financing statement.

2.06 Mortgagor will protect, indemnify, save harmless and defend Mortgagee and their officers, directors, shareholders, employees, successors and assigns (collectively, "Indemnified Parties") from and against any and all liability, loss, costs, charges, penalties, obligations, expenses, attorneys' fees, litigation, judgments, damages, claims and demands (collectively, "Indemnified Liabilities") imposed upon or incurred by or asserted against Mortgagee by reason of (a) ownership by Mortgagee of its interest in the Property pursuant to this Mortgage, (b) any accident or injury to or death of persons or loss of or damage to or loss of the use of property occurring on or about the Property or any part thereof, (c) any use, non-use or condition of the Property or any part thereof, (d) any failure on the part of Mortgagor to perform or comply with any of the terms of this Mortgage or any instrument or agreement secured hereby, (e) performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof made or suffered to be made by or on behalf of Mortgagor in accordance with this Mortgage, (f) any negligence or tortious act on the part of Mortgagor or any of its respective agents, contractors, lessees, licensees or invitees, (g) any work in connection with any alterations, changes, new construction or demolition of the Property, whether or not permitted hereunder or (h) the exercise by Mortgagee of any of its rights and

remedies, or the performance of any of obligations, under this Mortgage; provided such indemnity (x) does not extend to any such Indemnified Liabilities that a court of competent jurisdiction determined arose on account of the relevant Indemnified Party's gross negligence, criminal act or willful misconduct or breach by such Indemnified Party of its obligations under the Credit Documents, (y) does not extend to any loss of profit, income, revenue or business opportunities (it being agreed, however, for certainty, that such exclusion shall not apply to the repayment of principal, the payment of interest, fees and other related costs and expenses, or any other amount expressly required to be paid, repaid or reimbursed (as applicable) under or pursuant to Credit Documents), and (z) shall not apply to disputes solely between or among Indemnified Parties. All amounts payable to Mortgagee, as the case may be, under this Section 2.06 shall be payable on demand and shall be deemed indebtedness secured by this Mortgage.

2.07 Mortgagor shall maintain any Unpatented Claim that is Material in good standing with the State of Idaho and the BLM during the term of this Mortgage, which obligation shall include, without limitation, the payment of all necessary state and federal claim maintenance fees, and the filing of each required Affidavit and Notice of Intent to Hold. Mortgagor shall further maintain in good standing with the relevant Governmental Authority each permit or other authorization that is Material issued in connection with the mining operations conducted at the Land.

2.08 With respect to the Water Rights that are Material:

(a) Mortgagor shall comply with all filing deadlines, pay all fees, and perform such work or other obligations required in connection with such Water Rights and necessary or advisable to maintain the validity of such Water Rights.

2.09 With respect to the Mining Leases that are Material:

(a) Mortgagor shall perform and comply in all material respects with all agreements, covenants, terms, and conditions imposed on or assumed by Mortgagor as tenant under such Mining Leases under federal, state and local mining laws, rules and regulations ("Mining Laws").

(b) Mortgagor will pay or cause to be paid, as the case may be, all material payments and charges required to be paid by Mortgagor under or pursuant to the provisions of such Mining Leases.

(c) Mortgagor will diligently perform and observe in all material respects all of the terms, covenants and conditions of such Mining Leases required to be performed and observed by Mortgagor.

SECTION 3

Mortgagee's Rights

3.01 The waiver or release by Mortgagee of any default or of any of the provisions, covenants and conditions hereof on the part of Mortgagor to be kept and performed shall not be a waiver or release of any preceding or subsequent breach of the same or any other provision,

covenant or condition contained herein. The subsequent acceptance of any sum in payment of any indebtedness secured hereby or any other payment hereunder by Mortgagor to Mortgagee shall not be construed to be a waiver or release of any preceding breach by Mortgagor of any provision, covenant or condition of this Mortgage other than the failure of Mortgagor to pay the particular sum so accepted, regardless of Mortgagee's knowledge of such preceding breach at the time of acceptance of such payment. No payment by Mortgagor or receipt by Mortgagee of a lesser amount than the amount herein provided shall be deemed to be other than on account of the earliest sums due and payable hereunder, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed an accord and satisfaction, and Mortgagee may accept any check or payment without prejudice to Mortgagee's right to recover the balance of such sum or pursue any other remedy provided in this Mortgage. The consent by Mortgagee to any matter or event requiring such consent shall not constitute a waiver of the necessity for such consent to any subsequent matter or event.

3.02 Notwithstanding the right otherwise provided to Mortgagor to collect rent and other payments pursuant to the Leases prior to the Enforcement Date, if there is filed any petition in bankruptcy by or against any lessee under any of the Leases or there is appointed a receiver to take possession of all or a substantial portion of the assets of such lessee or there is a general assignment by such lessee for the benefit of creditors, or any action is taken by or against such lessee under any state or federal insolvency law or bankruptcy act, or any similar law now or hereafter in effect, Mortgagee is appointed a creditor of such lessee and, after the Enforcement Date, is entitled to recover on any claim or right of recovery that Mortgagor may have against such lessee or its receiver; provided, however, that Mortgagee shall not be obligated to pursue any such claim or right of recovery. To the extent permitted by applicable law, Mortgagee may apply any such recovery against any obligation secured hereby in such manner as it may deem desirable, in its sole and absolute discretion.

3.03 Without affecting the liability of Mortgagor or any other Person, except any Person expressly released in writing, for payment of any indebtedness secured hereby or for performance of any of the obligations or any of the terms, covenants and conditions hereof, and without affecting the rights of Mortgagee with respect to any security not expressly released in writing, at any time and from time to time, without notice or consent other than consent of Mortgagee, may:

- (a) Release any Person liable for payment of all or any part of the indebtedness or for the performance of any obligation.
- (b) Make any agreement extending the time or otherwise altering the terms of payment of all or any part of said indebtedness or modifying or waiving any obligation or subordinating, modifying or otherwise dealing with the lien or charge hereof.
- (c) Exercise or refrain from exercising or waive any right either of them may have.
- (d) Accept additional security of any kind.

- (e) Release or otherwise deal with any property, real or personal, securing the obligations secured hereby.

3.04 If Mortgagor fails to execute, acknowledge or deliver to Mortgagee any and all mortgages, assignments, transfers, assurances, financing statements, maps, and other instruments or documents required to be so executed, acknowledged or delivered hereunder, within fifteen (15) days after Mortgagee's demand or such lesser period as may be provided elsewhere herein, then Mortgagor hereby appoints Mortgagee as Mortgagor's true and lawful attorney-in-fact to act in Mortgagor's name, place and stead to execute, acknowledge and deliver the same upon the occurrence and during the continuation of an Event of Default.

3.05 Whenever under any provision of this Mortgage Mortgagor shall be obligated to make any payment or expenditure, or to do any act or thing, or to incur any liability whatsoever, and Mortgagor fails, refuses or neglects to perform as herein required, Mortgagee shall be entitled, but shall not be obligated, upon notice to Mortgagor, to make any such payment or expenditure or to do any such act or thing, or to incur any such liability, all on behalf of and at the cost and for the account of Mortgagor. In such event, the amount thereof with interest thereon at the rate per annum equal to the applicable rate per annum under the Credit Agreement shall be paid by Mortgagor to Mortgagee on demand. All funds advanced by Mortgagee pursuant to this Section 3.05 or any other provision of this Mortgage for the performance of any obligation of Mortgagor or to protect Mortgagee's security shall be deemed obligatory advances regardless of the person to whom such funds are furnished and such advances, together with interest thereon at the applicable rate under the Credit Agreement, shall be secured by this Mortgage.

3.06 Any Event of Default shall be a default hereunder.

3.07 The collection of rents and the application thereof by Mortgagee or any receiver obtained by Mortgagee shall not cure or waive any default or notice thereof, or invalidate any act of Mortgagee pursuant thereto. In the exercise of the powers herein granted Mortgagee, Mortgagee shall not be deemed to have affirmed any Lease or subordinated the lien hereof thereto nor shall any liability be asserted or enforced against Mortgagee, all such liability being hereby expressly waived and released by Mortgagor. Neither Mortgagee nor any receiver shall be obligated to perform or discharge any obligation, duty or liability under any Lease or under or by reason of the assignment contained in this Mortgage and Mortgagor shall and does hereby agree to protect, indemnify, save harmless and defend Mortgagee and such receiver in accordance with Section 2.06 hereof. Without limiting the generality of the foregoing, no security deposited by the lessee with the lessor under the terms of any Lease hereby assigned has been transferred to Mortgagee, and Mortgagee assumes no liability for any security so deposited.

3.08 On and after the Enforcement Date, Mortgagee may exercise any and all of its rights provided hereunder or by law. Without limiting the generality of the foregoing, (a) as to the Leases, Mortgagee may pursue any and all of the rights and remedies available to an "assignee" under applicable law and (b) any Personal Property may, at the sole and absolute option of Mortgagee be, (i) sold hereunder, (ii) sold pursuant to the Uniform Commercial Code of the State of Idaho, or (iii) dealt with by Mortgagee in any other manner provided by statute, law or equity. Without limiting the foregoing, Mortgagee may require Mortgagor to assemble the

Personal Property and make it available to Mortgagee at a place to be designated by Mortgagee. Upon the occurrence of the Enforcement Date, Mortgagee shall be the attorney-in-fact of Mortgagor with respect to any and all matters pertaining to the Property with full power and authority to give instructions with respect to the collection and remittance of payments, to endorse checks, to enforce the rights and remedies of Mortgagor, and to execute on behalf of Mortgagor and in Mortgagor's name any instruction, agreement or other writing required therefor. This power shall be irrevocable and deemed to be a power coupled with an interest. Mortgagor acknowledges and agrees that a disposition of the Personal Property in accordance with Mortgagee's rights and remedies in respect to real property as hereinabove provided is a commercially reasonable disposition thereof. Mortgagor acknowledges and agrees that the fact that the price obtained at a private sale may be less than the price which might have been obtained at a public sale does not render a private sale unreasonable even if Mortgagee accepts the first offer received and does not offer the subject property to more than one offeree.

3.09 On and after the Enforcement Date, Mortgagee may, to the full extent permitted by law, in addition to all other rights and remedies, enter upon and take possession of the Property, complete any buildings or other improvements under construction, construct new improvements and make modifications to and/or demolish any of the foregoing. In connection therewith Mortgagee shall have the power to file any and all notices and obtain any and all permits and licenses which Mortgagee, in its sole and absolute discretion, deems necessary or appropriate, including, but not limited to, the filing of notices of completion and the obtaining of certificates of occupancy. Mortgagee shall also have the right to receive all of the rents, issues and profits of the Property, overdue, due or to become due, and to apply the same, after payment of all necessary charges and expenses, including attorneys' fees, on account of the indebtedness secured hereby. Mortgagee may do any and all of the foregoing in its own name or in the name of Mortgagor and Mortgagor hereby irrevocably appoints Mortgagee as its attorney-in-fact for such purposes, with effect on and after the Enforcement Date. Mortgagee may also, at any time after the Enforcement Date, apply to any court of competent jurisdiction for the appointment of a receiver and Mortgagor agrees that such appointment shall be made upon a prima facie showing of a claimed default without reference to any offsets or defenses against such default and without regard to whether any portion of the Property is in danger of being lost, removed, injured or destroyed or of waste, whether income from the Property is in danger of being lost or whether the Property is or may become insufficient to discharge the obligations secured by this Mortgage. Such receiver shall have all the rights and powers provided Mortgagee pursuant to this section or otherwise provided hereunder or by law. Said receiver may borrow monies and issue certificates therefor. Said certificates shall be a lien on the Property subordinate only to this Mortgage and the Leases; provided, however, that should any of said certificates be acquired by Mortgagee the amount thereof shall constitute additional indebtedness secured hereby. Such receiver may lease all or any portion of the Property on such terms and for such a term (which may extend beyond the terms of such receiver's appointment and/or, if Mortgagee so consents, sale of the Property hereunder) as such receiver may deem appropriate in its sole and absolute discretion. The entering upon and taking possession of the Property pursuant to this section and the collection of the rents, issues and profits therefrom shall not cure or waive any default or notice of default hereunder or invalidate any act of Mortgagee pursuant thereto.

3.10 Should the Enforcement Date occur Mortgagee may declare all sums secured hereby immediately due by delivery to Mortgagor of a written notice of breach and election to foreclose (which notice Mortgagee shall cause to be recorded and mailed as required by law).

3.11 After three (3) months shall have elapsed following recordation of any such notice of breach, the Mortgagee may institute an action to foreclose this Mortgage or take such other action as may be permitted and available to the Mortgagee at law or in equity for the enforcement of the Credit Agreement and realization on the Real Property and proceeds thereon through power of sale (if then available under applicable law) or to final judgment and execution thereof for the Obligations, and in furtherance thereof the Mortgagee may sell the Real Property at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law or statute or in equity. The Mortgagee may execute and deliver to the purchaser at such sale a conveyance of the Real Property in fee simple or otherwise, as appropriate, and an assignment or conveyance of all the Mortgagor's interest in the Real Property, each of which conveyances and assignments shall contain recitals as to the event of default upon which the execution of the power of sale herein granted depends, and the Mortgagor hereby constitutes and appoints the Mortgagee the true and lawful attorney in fact of the Mortgagor to make any such recitals, sale, assignment and conveyance, and all of the acts of the Mortgagee as such attorney in fact are hereby ratified and confirmed. The Mortgagor agrees that such recitals shall be binding and conclusive upon the Mortgagor and that any assignment or conveyance to be made by the Mortgagee shall divest the Mortgagor of all right, title, interest, equity and right of redemption, including any statutory redemption, in and to the Real Property. The power and agency hereby granted are coupled with an interest and are irrevocable by death or dissolution, or otherwise, and are in addition to any and all other remedies which the Mortgagee may have hereunder, at law or in equity. The Mortgagor agrees that if it or any Person claiming possession under the Mortgagor remains in possession of the Real Property after a sale under power of sale or upon foreclosure as provided in this Mortgage, the Mortgagor and any Person in possession under the Mortgagor, as to whose interest such sale was not made subject, shall, at the option of the purchaser at such sale, then become and be tenants holding over, and shall forthwith deliver possession to such purchaser, or be summarily dispossessed in accordance with the laws applicable to tenants holding over. In case of any sale under this Mortgage by virtue of the exercise of the powers herein granted, or pursuant to any order in any judicial proceeding or otherwise, the Mortgaged Property may be sold as an entirety or in separate parcels in such manner or order as the Mortgagee in its sole discretion may elect. One or more exercises of powers herein granted shall not extinguish or exhaust such powers, until the entire Mortgaged Property is sold or all amounts secured hereby are paid in full.

3.12 Except as otherwise provided by Applicable Law, Mortgagee shall apply the proceeds of any such sale to payment of expenses of sale and all charges and expenses of Mortgagee, including cost of evidence of title and Mortgagee's cost in connection with sale; all sums expended under the terms hereof, not then repaid, with accrued interest at the Applicable Rate pursuant to the Credit Agreement; all other sums then secured hereby, and the remainder, if any, to the Person or Persons legally entitled thereto.

3.13 The Mortgagee or any of its affiliates may bid for and acquire the Real Property or any part thereof at any sale made under or by virtue of this section and, in lieu of paying cash

therefor, may make settlement for the purchase price by crediting against the purchase price the unpaid amounts (whether or not then due) owing to the Mortgagee after deducting from the sales price the expense of the sale and the reasonable costs of the action or proceedings and any other sums that the Mortgagee is authorized to deduct under this Mortgage.

3.14 If the Real Property is comprised of more than one parcel of land, the Mortgagee may take any of the actions authorized by this Section in respect of any or a number of individual parcels.

3.15 Mortgagee, from time to time before any sale, may rescind any notice of breach and election to sell by executing, delivering and recording a written notice of such rescission. The exercise by Mortgagee of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of Mortgagee to execute and deliver to Mortgagor, as above provided, other notices of breach and election to sell, nor otherwise affect any term, covenant or condition hereof or under any obligation secured hereby, or any of the rights, obligations or remedies of the parties thereunder.

SECTION 4

Miscellaneous

4.01 When all the Obligations have been paid in full and the Mortgagee is no longer obligated to extend any credit under the Credit Agreement, this Mortgage shall terminate, and the Mortgagee shall deliver to the Mortgagor a written release or satisfaction of this Mortgage. Upon termination hereof or any release of the Real Property or any portion thereof, the Mortgagee shall, upon the request and at the sole cost and expense of the Mortgagor, forthwith assign, transfer and deliver to the Mortgagor, against receipt and without recourse to or warranty by the Mortgagee, such of the Real Property to be released (in the case of a release) as may be in possession of the Mortgagee and as shall not have been sold or otherwise applied pursuant to the terms hereof, and, with respect to any other Real Property, proper documents and instruments (including UCC-3 termination statements or releases) acknowledging the termination hereof or the release of such Real Property, as the case may be, including a reassignment of the Rents relating to the portion of the Real Property so released.

4.02 Mortgagor, for itself and for all Persons hereafter claiming through or under it or who may at any time hereafter become holders of liens junior to the lien of this Mortgage, hereby expressly waives and releases all rights to direct the order in which any of the Property or any interest therein shall be sold in the event of any sale or sales pursuant hereto and to have any of the Property and/or any other property now or hereafter constituting security for any of the indebtedness secured hereby or any interest therein marshaled upon any sale under this Mortgage or of any other security for any of said indebtedness.

4.03 Any and all notices and demands to Mortgagor or to Mortgagee, required or desired to be given hereunder shall be in writing and shall be given in accordance with the notice provisions set forth in the guarantee granted by the Mortgagor to the Mortgagee.

4.04 This Mortgage applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns.

4.05 Where any provision in this Mortgage refers to action to be taken by Mortgagor, or which Mortgagor is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by Mortgagor.

4.06 If any term, provision, covenant or condition of this Mortgage, or any application thereof, should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all terms, provisions, covenants and conditions of this Mortgage, and all applications thereof, not held invalid, void or unenforceable shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby, provided that the invalidity, voidness or unenforceability of such term, provision, covenant or condition (after giving effect to the next sentence) does not materially impair the ability of the parties to consummate the transactions contemplated hereby. To the extent permitted by applicable law, in lieu of such invalid, void or unenforceable term, provision, covenant or condition, there shall be added to this Mortgage a term, provision, covenant or condition that is valid, not void and enforceable and is as similar to such invalid, void or unenforceable term, provision, covenant or condition as may be possible. If the lien of this Mortgage is invalid or unenforceable as to any part of the Property, or if the lien is invalid or unenforceable as to any part of the indebtedness secured hereby, the unsecured or partially unsecured portion of such indebtedness shall be completely paid prior to the payment of the remaining and secured or partially secured portion of such indebtedness, and all payments made on such indebtedness, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid on and applied to the full payment of that portion of such indebtedness which is not secured or fully secured by the lien of this Mortgage.

4.07 In the event of any conflict or inconsistency between the provisions of this Mortgage and the Credit Agreement, the provisions of the Credit Agreement shall prevail and be paramount.

4.08 The laws of the State of Idaho shall exclusively govern the validity, construction, performance and effect of this Mortgage.

4.09 This Mortgage shall be construed in accordance with its intent and without regard to any presumption or other rule requiring construction against the party causing the same to be drafted.

4.10 The various rights, options, elections and remedies of Mortgagee hereunder shall be cumulative and no one of them shall be construed as exclusive of any other, or of any right, option, election or remedy provided in any agreement or by law.

4.11 Time is of the essence of this Mortgage and all of the terms, provisions, covenants and conditions hereof.

4.12 Whenever any provision of this Mortgage requires Mortgagee's consent or approval, unless otherwise specifically provided, the same may be granted or withheld by Mortgagee in its sole and absolute discretion.

4.13 THE PARTIES, TO THE FULL EXTENT PERMITTED BY LAW, HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, WAIVE, RELINQUISH AND FOREVER FORGO THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO THIS MORTGAGE OR ANY CONDUCT, ACT OR OMISSION OF EITHER PARTY OR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, PARTNERS, MEMBERS, MANAGERS, EMPLOYEES, AGENTS OR ATTORNEYS, OR ANY OTHER PERSONS AFFILIATED WITH EITHER OF THE PARTIES IN EACH OF THE FOREGOING CASES, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE.

4.14 In this Mortgage, whenever the context so requires any gender includes the others, and the singular number includes the plural, and vice-versa, the term Mortgagee shall include any future agent for the holders, including pledgees, of the Obligations secured hereby, and the term Mortgagor shall mean the original signator hereof, the successors and assigns thereof and any future owners of any interest in the Property or any portion thereof. In this Mortgage, the use of words such as "including" or "such as" shall not be deemed to limit the generality of the term or clause to which they have reference, whether or not non-limiting language (such as "without limitation," or "but not limited to," or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter. The captions appearing at the commencement of the sections hereof are descriptive only and for convenience in reference to this Mortgage and in no way whatsoever define, limit or describe the scope or intent of this Mortgage, nor in any way affect this Mortgage. As used in this Mortgage the term "Person" means any individual, partnership, limited partnership, corporation, limited liability company, joint stock company, trust, unincorporated association, joint venture or other entity and any government and any political subdivision and agency thereof.

IN WITNESS WHEREOF, Mortgagor has executed this Mortgage the day and year first above written.

Re: Notice of Security Interest for Water Right / Permit No(s): 72-133, etc. (see attached list)

Dear Security Interest Holder:

The Department of Water Resources (Department) acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to you. The Department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for you.

You will notice that the water rights referenced above have attorneys Scott L Campbell and / or Dylan Lawrence listed as attorneys of record. If this information needs updated in any way, the Department can make the necessary changes to the water right record(s) with written authorization from either Thompson Creek Mining Company, Mr. Campbell, or Mr. Lawrence.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Security Interest, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
Administrative Assistant 1
