Re: Field Exam Needed for Permit 96-9730

The Statement of Completion for Proof of Beneficial Use for permit 96-9730 was sent in by Jack and Lori Barker and received on February 23rd, 2024, with the correct fee payment received on the same date. 96-9730 authorizes domestic use, fire protection and the irrigation of 2.0 acres. During an initial review of 2023 Bonner County Domestic and Fire protection use were confirmed. However, due to the high tree cover I could not confirm the extent of irrigation. Therefore, I recommend a field exam be conducted to determine the extent of irrigation within the authorized place of use.
