Permit Holder:

The Department acknowledges receipt of the Statement Of Completion for Submitting Proof of Beneficial Use (proof) form for the above-referenced permit. This permit authorizes the diversion of 0.11 cfs of surface water for stock water and irrigation. On the form submitted, numbers three and six were left blank. Number three outlines the extent of use, including the total amount of acres irrigated and the amount of stock and type that utilize the water. Number six asks if specific permit conditions were met. I have attached both the submitted form and a computer-generated report for your reference. Please reply to this email to confirm the extent of use and compliance with permit conditions.

Please note if the Department does not receive a response before the proof due date of **June 1, 2024**, the permit may lapse due to the incomplete form.

Feel free to reach out if you have any questions.
