11. Other Water Rights Used:

12. Remarks:

Priority Date Explanation:

This is the priority date originally decreed. Claiming a total of 310 acres irrigated.

Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This right when combined with all other rights shall provide no more than 3.5 afa per acre for irrigation of the lands above.

After specific notification by the department, the right holder shall annually report the amount of water diverted to the department.

Approval of this transfer in no way grants any right-of-way or easement for use of a delivery system owned by person(s) other than the right owner.

The right holder shall accomplish the change authorized by this transfer within one (1) year of the date of this approval.

Use of water under this water right will be regulated by the watermaster of State Water District No. &DISTRICT.

Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the Department from all authorized points of diversion which will allow determination of the total rate of diversion.

The total instantaneous diversion of water from all points of diversion under Transfer No. 4594 and combined Right Nos.

11-00910, 11-00911, 11-00912, 11-00918, 11-00919, 11-00920, 11-00921, 11-00922 and 11-00923, shall not exceed 15.85 cfs, nor a total combined annual volume of 1,085.0 af for irrigation of 310.0 acres.

Right Nos. 11-00910, 11-00918 and 11-00921 are classified as meadow lands or rights, and are understood to mean those lands along Bear River producing what is commonly called "wild hay" or "natural meadow grass", which lands must be flooded in order to produce crops, the water running over said lands and back into Bear River.

Any year that there is insufficient water in Bear River to fully supply all the decreed agricultural rights, the meadow rights will be reduced proportionately to provide 75% of the water for all the agricultural rights between June 17 and July 4th, and provide the full amount of water for the agricultural rights after July 4th.
