Subject: BRBA Claimant overpaid for P000206

I had a claimant overpay for a claim when they mailed in a BRBA claim with a check. I need to refund them for the overpaid portion of the claim. East Shore Water Company sent in a check for \$224.00 when the claim fee is only for \$98.00, see claim 11-7359. I called and confirmed that they don't have other claims to submit.

Receipt: P000206, Amount Paid: \$224, Claim Fee: \$ 98, Amount to be returned: \$126

Payee:
East Shore Water Company
