WATER RESOURCES
WESTERN REGION

WATER DISTRICT 57-D

Minutes

The 2024 meeting of Water District 57-D was called to order at 1:35pm on January 2, 2024 at the Owyhee County P&Z Annex Building. In attendance: Doug Hipwell (Edwards Ranch), Chairman, Paul Nettleton (Joyce Livestock), Sec/Treasure, Dave Young (Murphy Flat Water), Ron and Pat Ambrose (Sierra Del Rio Ranch), Chad Nettleton, Watermaster.

Minutes and Treasurer's report were distributed and approved.

Elections of Officers and Watermaster were held with all remaining the same as last year.

There was discussion on the proposed budget as measuring device at head of the creek above the reservoir needs maintenance and there will be an added expense on the budget. However, it was decided to leave the budget as is since we are always well under budget for the year.

It was decided that Watermaster mileage would be raised to \$0.65.5 cents per mile as this was the government IRS standard.

Snow level in the mountains looks excellent for the coming season.

Meeting adjourned at 1:30pm.
