A combined limit condition did not appear on right 29-13424 because it was decreed 8 years prior to the partial decree for late claim 29-490B, which partially overlaps 29-13424. The combined acre limit has been reduced to account for ownership splits 29-14148 and 29-14257, which were subtracted from parent right 29-13424 due to ownership changes on acreage that did not overlap 29-490B.	10/12/2018	future ownership changes
