RE: Change in Ownership Water Right No(s):78-7062, 78-7162 & 78-12121

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a Notice of Change in Water Right Ownership (Notice) from you on September 22, 2023 for the above referenced water rights. The Notice could not be processed because the water rights need to be split and required additional filing fees.

On November 16, 2023 the Department requested the additional fees from you. As of the date of this letter, the Department has not received the additional fees.

The Department is returning your Notice of Change in Water Right Ownership and the attachments. A refund of \$75 has been requested and will be mailed to Timberline Title & Escrow under separate cover from the Idaho State Controller's Office. You may re-submit your request with the appropriate documents and fees.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley

RE: Change in Ownership Water Right No(s): 78-12121, 78-7062

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Filing Fee of \$100 per water right for changes resulting from division of a water right. Water rights 78-7062 and 78-12121 will need to be split. Water right 78-7062 is a domestic right for 3 (three) homes. It appears there are 2 (two) homes located on your property. Water right 78-12121 is a domestic right for 1 (one) home and an irrigation right for 8.0 acres. Part of the place of use is located on property the deed you provided does not include.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the additional filing fee for your notice will be **\$150**.

Because the Department cannot process the Notice without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days, we will return your notice and all attachments, and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley
