Diamond Soldier Revocable Living Trust

Trustee Delegation of Authority

Effective February 1, 2024

Ryan Porter, Trustee ("Trustee") of the Diamond Soldier Revocable Living Trust (the "Trust"), is executing this document to appoint certain persons to assist in the administration of the Trust's affairs. The Trustee retains the right to manage the affairs of the Trust as provided in the Trust's Agreement. The Trustee shall have the right to revoke this Delegation of Authority at any time, or to overrule any decision of any officer.

The Trustee makes the designations set forth below.

1. Authorized Representatives

1.1 Appointment of Authorized Representative. The authorized Representatives of the Trust shall be Chris Pollak and Nathan Rimmer, and may include such other Authorized Representatives as the Trustee may designate from time to time.

1.2 Authority. The Authorized Representatives shall perform such duties as shall be assigned by the Trustee of the Trust. Each Authorized Representative shall have authority to execute any and all documents on behalf of the Trust and bind the Trust, including the execution of purchase and sale documents.

2. Liability Indemnification.

None of the Trust's authorized representatives shall be liable to the Trust or the Trustee for any act or omission based upon errors of judgment, negligence, or other fault in connection with the business or affairs of the Trust so long as the person against whom the liability is asserted acted in good faith on behalf of the Trust and in a manner reasonably believed by such person to be within the scope of his or her authority under this Agreement and in the best interests of the Trust, but only if such action or failure to act does not constitute gross negligence or willful misconduct. The Trustee agrees to indemnify the Trust's agents to the fullest extent permitted by law and to save and hold them harmless from and in respect of all (a) fees, costs, and expenses incurred in connection with or resulting from any claim, action, or demand against the Trust or any of its agents that arise out of or in any way relate to the Trust, its properties, business, or affairs and (b) such claims actions and demands and any losses or damages resulting from such claims, actions and demands, including amounts paid in settlement or compromise (if recommended by attorneys for the Trust) of any such claim, action or demand; provided, however, that this indemnification shall apply only so long as the person against whom a claim, action or demand is asserted has acted in good faith on behalf of the Trust and in a manner reasonably believed by such person to be within the scope of its authority and in the best interests of the Trust, but only if such action or failure to act does not constitute gross

negligence or willful misconduct. The termination of any action, suit, or proceeding by judgment, order, settlement, or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that any person acted with gross negligence or willful misconduct. The rights of any agent under this paragraph are in addition to any rights such person may have under any other agreement with the Trust or any affiliate of the Trust.

The Trustee of the Trust hereby approves this Trustee Delegation of Authority.

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

The ownership of water rights 37-13364 & 37-13365 was not updated. It appears the land is currently owned by Rodney & Melanie Gonsales. A refund of \$50 has been requested and will be sent to Brockway Engineering PLLC under separate cover from the Idaho State Controller's Office.

Please note, water right(s) **37-368A, 37-409A, 37-410, 37-411, 37-2076A, 37-2157, 37-2455** were leased to the Water Supply Bank (bank) in **2023**. In accordance with the bank lease acceptance, the lessor/current right holder (right holder) may not use the right(s) while it is in the bank, even if the right(s) is not rented from the bank. The right(s) will remain in the bank until **December 31, 2027** unless released earlier by the Water Resource Board or upon request by the right holder. To reduce the term of the lease, the right holder must submit a written request to the department. The department will verify if the right is rented or available for release and notify the right holder of the release date.

Also note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

Jean,

It looks like water rights 37-13364 and 37-13365 are actually owned by Rod and Melanie Gonsales. We will have the Gonsales's submit an ownership change form to the Southern IDWR office. Please send a refund for 37-13364 and 37-13365.
