Re: Contact information for Water Right No(s). 78-7340 and 78-7364

Dear Property Owner(s):

Pursuant to the recent *Issuance of License* for the above referenced water rights (enclosed), it was brought to our attention that the contact information may need to be updated on these water rights. Below are a couple of options, to ensure that any correspondence related to these water rights properly reaches you.

- File a Notice of Change in Water Right Ownership to change the water rights into the name of Dasha Belkova Revocable Trust. I have enclosed this information for your review. Once the property is sold at a later time, the new owner can then file a Notice of Change in Water Right Ownership to update the records to their name(s).
- Update the mailing address only on the water rights. The name (ownership) on the water rights will remain Dasha Belkova, but the mailing address will be updated to the address above. This form is also enclosed.

Thank you in advance for your cooperation. If you have any questions regarding this letter, please feel free to call (208) 736-3033.

Sincerely,

Denise Maline

RE: Change in Ownership for Water Right No(s): **78-7340, 78-7347, 78-7364, 78-10245**

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

IDWR cannot process this change without **documentation of ownership**. The documentation may be in the form of a deed, court decree or other conveyance document. If you are submitting a quitclaim deed and the grantor's name does not match the water right holder of record, you will need to provide a chain of title that goes back to the water right holder/claimant of record. You may obtain this information from the assessor's office in the county where the property is located. Items that are **not** conveyance documents are deeds of trust, mortgages, purchase and sales agreements, and property tax notices.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208)287-4921.

Sincerely,

Debra Mansfield
