RE: Change of Ownership for Water Right: 63-8575 (Split into 63-8575 & 63-35501)

Dear Water Right Holder:

The Department discovered that an ownership change submitted to the Department in September 2023 was completed incorrectly.

A split of water right 63-8575 was requested with portions of the water right to be placed in the name of ABC NIBAC, LLC and portions to be in the name of BLACK POWDER, LLC. When water right 63-8575 was split into 63-35501 and ABC NIBAC, LLC and BLACK POWDER, LLC were listed as current owners of 63-35501. Because two separate deeds were provided, ABC NIBAC, LLC should have been listed as current owner of one part, 63-8575, and BLACK POWDER, LLC should have been listed as current owner of a separate part, 63-35501. The diversion rates and volumes of both water rights were updated as well.

Please feel free to contact me at 208-287-4942 if you have any questions concerning the enclosed information or this letter.

Sincerely,

Jean Hersley
Technical Records Specialist II
