SUBJECT: Bear River Bain Adjudication Claim (BRBA) 11-7029

Hi Walt,

In regards to our phone conversation on 4/17/2023, attached is an Amended Notice of Claim to a Water Right (11-7029). Everything on the Amended Claim is the same as the original except for the number of irrigated acres which we discussed over the phone. I have also enclosed 2 copies of your parcel information that shows your property is 11 acres.

Here are the further instructions required:

1. Review the claim for accuracy. If there are additional changes you would like to make, cross out the incorrect information, replace it with the correct information, and initial next to it.
2. **#14, Signature: Sign and date the document.**

Because the number of irrigated has increased the variable fee has also increased. **There is an additional \$2 needed to complete the amended claim**, this represents the additional 2 acres you are irrigating. Please mail the completed Amended Notice of Claim and \$2 fee back to:
