PROOF AND OWNERSHIP CHANGE ACKNOWLEDGEMENT LETTER

RE: Decree 75-14940 and Permit 75-14945

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use and form and notice of change in water right ownership submitted for the above referenced permit and decree. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Eastern Region Office of the Department located in Idaho Falls at (208) 525-7161.

Sincerely,

Amanda Veibell
Technical Records Specialist
