Re: Water Right Ownership of Water Right(s): **2-10382 & 2-10383**

Dear Water Right Holder(s):

During a recent review of Water Right 2-10382 The Department found that you were listed as the current water right owner in error. Water Right 2-10382 is an appurtenance of Parcel PIN R2875103400. Because this right not an appurtenance of your property, The Department has removed you as the current owner of Water Right 2-10382.

The water right that is an appurtenance of your property, Parcel PIN R2875103300, is water right **2-10383**.

The Department has updated our records to reflect your current ownership of Water Right 2-10383. I have enclosed a printed water right report for your records as well as a current map for the Place of Use.

If you have any questions regarding this matter, please contact me at (208)287-4921.

Sincerely,

Debra Mansfield
Technical Records Specialist I
