ACTION OF THE DEPARTMENT OF WATER RESOURCES

The Idaho Department of Water Resources hereby approves the above Application for Amendment for Permit No. 86-12143 with the following:

Conditions of Approval

1. This right authorizes the watering of livestock directly from the stream without a diversion.
2. Water shall not be diverted under this right when flows in the Potlatch River are below minimum flow amounts as defined by Right 86-11960. The right holder shall be responsible for monitoring the daily flow of the Potlatch River using real-time data and shall cease diverting water when flows in the Potlatch River are below established minimum flow amounts. Unless otherwise specified by the Director of the Department of Water Resources, data from the U.S. Geological Survey Potlatch River below Little Potlatch Creek near Spalding gauging station, No. 03341570, may be used for purposes of determining the daily flow amounts.
3. This right does not grant any right-of-way or easement across the land of another.

This amendment is issued pursuant to the provisions of Idaho Code § 42-211.

Signed this 24th day of April, 2024.

RE: Water Right Permit No. 86-12143

Dear Permit Holder(s):

The Department of Water Resources is reviewing the permit(s) referenced above prior to issuing water right license(s). By issuing a license, the Department confirms the extent of development that has been established in compliance with the terms of the permit.

The examiner who verified your water use reported that certain elements of the permit(s) have been developed differently than described on your permit(s). Changes that do not increase the authorized use of water under the permit(s) can be requested and approved in accordance with Idaho Code § 42-211. Before license(s) can be issued, your permit(s) must be amended to depict your water use as it was actually developed.

Based on the examiner's report, the following elements were developed differently than described on your permit(s):

 X Point(s) of Diversion _____ Place(s) of Use _____ Other _____

The enclosed Application for Amendment form(s) depicts the elements of the water right(s) as they will appear on the license(s) when issued. Please review the amendment form(s) carefully. If you concur with the information presented, please sign and return the form(s) with the filing fee of \$100.00 within fourteen (14) days.

If you have any questions, please call me at (208)-287-4913.

Sincerely,

A handwritten signature in black ink, appearing to read 'Skyler Cheever'.
