The Department of Water Resources (Department) is in the process of reviewing your permit for licensing. This permit was issued for 2 (two) recreational vehicles. On your statement of completion, you stated that only 1 RV is using the water. Has there ever been 2 RV's using the water from the river?

Please let me know within 14 days. If the Department doesn't hear from you in 14 days, we will move ahead with the licensing of this permit for 1 recreation vehicle. Please contact me if you have any questions. Thank you.
