G. NARRATIVE/REMARKS/COMMENTS: This permit qualified for an in-office exam. ArcMap and Bonner County show dwelling on property and list permit holder as current owner.

The shape of 97-4062, (domestic statutory claim) overlaps this property but is not appurtenant to the same POU. The shape of 97-7298 (license for domestic for 4 homes) also overlaps with this property but I don't believe is appurtenant to the same POU. 97-7298B (recommendation for domestic for 4 homes) overlaps this property but again, I don't believe is appurtenant to the same POU. There are no rights that overlap the POD. The Statement of Completion says the well was drilled in 1985 but I cannot find a well drillers report. Removed condition 046. Updated condition X60. Place of use is located within; Lot 1, Marben Subdivision previously known as Lots 17-20; Sherwood Beach Addition Subdivision.

Have conditions of permit approval been met? ☒ Yes ☐ No
