RE: Water Right Rental Agreement 611

Andersen Dairy, Inc is reaching out to the IDWR concerning Water Right Rental Agreement 611 for commercial and stock water use. During 2022 and 2023 Anderland LLC was able to purchase water right 45-14554 and transfer successfully a portion of 45-14554 to Andersen Dairy, Inc under water right transfer 88143. This additional water will cover the dairy water use adequately for future use. With the completion of transfer 88143, Andersen Dairy, Inc. will no longer need to exercise the rental agreement 611 for 2024.

Please consider this formal notice to release the water rights associated with rental 611 back to the water supply bank for other water users in 2024.

I believe Alan and Norma Andersen have been the individuals on the agreement so I have copied them both on this email in the event you need their additional approval for this release. Alan's phone number is 208-221-7969 if you need to contact him. Please let me know if you need any additional information from me.

Thank you,

Heather Webb
