Re: Corrected Ownership Change of 36-17297

Dear Water Right Holders:

While recently processing some notices of change in water right ownership submittals, the Idaho Department of Water Resources (IDWR) discovered that your ownership change involving water right 36-17297 was processed incorrectly. You would have received an acknowledgement letter dated November 06, 2024, relating to this particular ownership change.

Please find enclosed copies of a corrected proof report of water right record 36-17297 and corresponding map for your records. I have also enclosed a copy of the incorrect November 06, 2024 proof report of water record 36-17297 and corresponding map for reference.

I apologize for any confusion or inconvenience that this may have caused.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9916.

Sincerely,

Kent Aasa
Water Resource Agent, Senior
