RE: Change in Ownership Water Right No. 22-4159, 22-11878

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department has sufficient evidence to update 22-4159.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Application:** It appears water right number 22-11878 was decreed in the wrong quarter quarter. The water right is located in the SWSE Section 23, T4N, R45E however, your property is located in the SESW and SWSW quarter Section 23, T4N, R45E. In order for the department to correct the error a transfer application is required. I have attached the transfer application for your convenience. Once the transfer is filed the ownership change can be completed along with the transfer.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Baily
Technical Records Specialist
