MINUTES OF THE
ANNUAL ROCK CREEK WATER DISTRICT 47-0 MEETING

MARCH 7, 2016

The meeting was called to order by David Funk, the 2015 meeting chairman and he agreed to continue for the 2016 meeting. In attendance were eight Rock Creek Water users, one IDWR staff member, and Amie Franklin representing Ryan Franklin, the watermaster.

The 2015 minutes were read and approved.

Old Business: There was no old business brought up at this time.

New Business: Phyllis Beard, of Amalgamated Sugar, made a motion to cast a unanimous ballot to retain, Ryan Franklin as Watermaster, Shari Helman Secretary/Treasurer and to leave the budget at the same amount as last year. The budget is a total of \$7300; \$6000 for Watermaster; \$650 for Secretary/Treasurer; \$525 for Workers' Comp and \$125 for miscellaneous expenses. Motion carried.

Advisory Board: A motion was made and seconded to leave the Advisory Board members the same as last year; which were: Poncho of RCR, East Ditch and Main Creek; Garry Nielsen minimum users on the Main Creek; and Rodney Hopwood, West Ditch, motion carried.

Watermaster Report: Amie Franklin reported on Ryan's behalf stating that the Lower Ditch, of the West Ditch, measuring device is in need of a great deal of repair before water can be delivered. The weir is pretty well washed out around the side so that the water does not flow properly over the weir where it can be measured. She encouraged all users to have their measuring devices in top shape before time to start measuring water. The Watermaster will be making a check on all devices prior to water delivery time.

Other Business: David Funk brought up the possibility of doing some aquifer recharge in the East Ditch since we have a better water supply. He stated he was planning on getting with Randy Brown, of Murtaugh who is well informed on this issue, to see how we could best use the water for recharge.

David also stated that he was still having some issues with beaver and had not been advised as to the best way to handle this situation. It seemed as though no one really had any great and right ways to handle this problem.

Resolutions: No changes or new resolutions were needed at this time.

Closing Comments: Garry Neilson stated that he had a mind to sue the Rock Creek Water District because they had raised the minimum users from \$20 per year to \$35 per year at the 2015 annual meeting. He made the claim that we had gone about it all wrong by voting to do so after the budget was passed and that it should have been done prior to passing the next years' budget. Needless to say this caused some very heated discussion because most members, in attendance, felt this to be a bit ridiculous over a \$15 per year raise. The minimum users had never had a raise since they became a part of the Water District. It was brought to his attention that the large users often times may have to pay double, what they had the year before, in order to make the budget even though they used less water. This did not seem to deter his insistence on how wrong we were and that he was going to see that something was done about it.

The motion was made and seconded to adjourn. Motion carried.

Meeting adjourned.

Respectfully submitted

Shari Helman
Secretary/Treasurer
