ANNUAL MEETING MINUTES
WATER DISTRICT 72D, EAST FORK AREA
MONDAY MARCH 21, 2016, 7:00 PM
CLAYTON COMMUNITY CENTER

RECEIVED
APR 22 2016
DEPT OF WATER RESOURCES
SOUTHERN REGION

The meeting was called to order at approximately 7:10 pm by Wayne Baker. In attendance were water users Jr and Lura Baker, Doug and Cheryl Baker, Ron Vernin, Colleen Coyne, Aaron Saathoff, Tom McGowan, Gary Ingram, Howard Cutler, Patty Maloney, Wayne and Melodie Baker, Watermaster Brent Cutler and Water District 170 Watermaster Cindy Yenter.

Wayne Baker was unanimously selected as meeting chairman. Cindy Yenter offered to act as meeting secretary.

Melodie Baker read the 2015 minutes. A question was asked if Thompson Creek mine had named a representative to their advisory committee seat; they have not. There being no other questions regarding the minutes, Howard Cutler made a motion that the minutes be approved. Lura Baker seconded and motion passed on a voice vote.

Wayne asked Cindy if there had been any changes in Water District 170. Other than Cindy taking over as Watermaster, there were no changes in 2015.

The Advisory Committee will remain the same for 2016. Thompson Creek Mine will need to be contacted so they may identify their representative for that seat.

The district minimum charge (presently \$50) was discussed. Cindy noted that total diversions are being divided among individual water users and each user is receiving a separate assessment, as opposed one assessment charged against an entire ditch. Consequently many water users are paying the minimum charge. This has the effect of subsidizing the larger users. The minimum could be reduced to create a more realistic distribution of charges.

Questions were asked about the extra visits Brent made last year to check fish screens, and if IDFG was charged for those trips. Brent provided details of the incidents. Cindy was advised by Tim Luke and legal staff that the charges had to be rescinded last year, but if a resolution was passed which authorized the district to levy charges for extra watermaster trips, that would provide a basis for future charges.

Cindy drafted resolution language addressing unnecessary watermaster calls, and this was discussed. Some were concerned about the possibility of legal action against the district. After additional discussion, the resolution was finalized. Doug motioned, Tom seconded to add the resolution. Motion carried on a voice vote.

Mel reported that all the funds were paid out and there is no carryover this year. Cindy and Mel presented the budget. Cindy had added a contingency amount and Mel suggested that it be increased. Contingency was increased to \$1500 for a total budget of \$11,898, all of which

must be collected. Howard made the motion to adopt the modified budget of \$11,898. Gary seconded, motion carried on voice vote.

There was additional discussion on minimum charges and vote by shares. Cindy and Mel are not ready with 5-yr assessment averages this year to conduct vote by shares, but the district will be ready next year. Mel feels that minimum charges of \$50 are dangerous due to small users or non-users having too much voting weight. Cindy explained how minimum charges are applied and the assessments calculated. Members decided to keep the minimum charge the same for now but revisit the issue next year.

Discussion moved to resolutions. Cindy proposed adding resolutions relating to Fiscal Year, Watermaster and Treasurer Compensation. Watermaster will now be considered a contract employee, paid by the hour but responsible for his own withholdings. District is still responsible for workers comp. This will save the District costs of some payroll hours. Watermaster is agreeable to these terms. Lura motioned to accept the three new resolutions, Jr seconded, and motioned carried on a voice vote.

Mel requested that language be added to District Payment Terms resolutions requiring that all assessments must be paid in US Funds. Doug motioned, Ron seconded, and motion carried on a voice vote.

Brent gave a brief watermaster report. There are still measurement compliance issues that need to be addressed in the coming year for both surface and ground water diversions. Brent has estimated flows for un-measured diversions and he estimates high, or at the water right maximum. Cindy will send out the compliance letters.

Aaron motioned that Brent and Melodie be retained as Watermaster and Secretary/Treasurer. Ron seconded, and the motion carried unanimously.

Mel reminded everyone to get water right addresses changed as HC addresses are changed over to grid addresses. There is no charge for address changes but they require an owner signature. Mel can scan and email any change requests directly to Cindy.

A question was asked if the recently decreed late claims have been added to Brent's delivery lists. Cindy will have to check.

There being no other business, Howard made a motion to adjourn. Doug seconded. Meeting was adjourned at approximately 8:20 pm.

Respectfully submitted,

Cindy Yenter

Subject: Re: Sub-District 72D Addresses

Hi Carrie,

I did a quick review of the list you sent. Looks okay, except for those

I did not send the lists below to you or Nathan, so here you are.

I guess you have to mail out to addresses that you have on record until water users send in the form, but you may get some of them back. Below is a list for the last two years of those that I have changed in the billings system I use. As I said in my cover letter to Nathan, I have sent them all change of address forms, but not too many have followed through.

Also, on last year's assessment list from Nick Miller was a new assessment for: FAYE J. & ROBERT BREGANTE, 3311 LUNDBURG LN, POCATELLO, ID 83204, water right 72-16645 Billing ID 116. I just looked on the IDWR online search and the previous owners were Stropes. Stropes still have a water right, so must have not sold everything.

Thanks, Mel

I forgot to add the list of address changes. Here they are: first one is 2014, 2nd list is 2015's

I also put Hwy 75 as the address for the Community Center. Is that correct?

Hi Nathan,

Attached is the list of addresses with highlights to ones that need reviewed. There are a few others that were missed on your list and they are below. I have quite the notes below. Sorry they are so lengthy.

Also attached is the meeting notice. I confirmed with the City of Clayton that we can use the community center at no charge. There really isn't an address, but everyone knows where it is...Clayton is REALLY small.

Let me know if you need anything else.

Thank you, Melodie

Anderson, Allen-Nick Miller sent the assessment list with the Billing ID's, water right numbers and bill amount and on the list was Allen Anderson, Billing ID 2 for Water Right 72-228B He sold his place and so shouldn't have any water rights let, so I called the Twin Falls IDWR office and found out it was really is Wes Sherwood's. I emailed Nick Miller and he agreed that the Allen Anderson assessment for \$50 on 72-228B should be paid by Wes Sherwood, since it is his water right, so prepared an assessment in his name for this and

printed. Prepared a cover letter explaining the reason for the assessment and that he needs to fill out a change of ownership. Emailed copy of letter to Nick and Brent. I guess Wes has not taken care of this, as it still shows up on the IDWR online site in Allen's name. Don't know how you want to handle this now.

On last year's assessment list from Nick Miller was a new assessment for: FAYE J. & ROBERT BREGANTE, 3311 LUNDBURG LN, POCA TELLO, ID 83204, water right 72-16645 Billing ID 116. I just looked on the IDWR online search and the previous owners were Stropes. Stropes still have a water right, so must have not sold everything.

Berlage-Thought I'd better let you know. You have his address as PO Box 1771 LA, Jolla CA 92038 and it is PO Box 1771, La Jolla CA 92038

ID FISH & GAME- 1/15/15 THIS IS BEFORE I KNEW WATER USERS HAD TO SEND IN A CHANGE OF ADDRESS FORM-SO I HAVE NOT TOLD THEM THIS. 1/19/16-Emailed letter and change of address form to Jessy Wiley with F&G-need clarification on why you have two entries for Fish and Game on your spreadsheet and if F&G in Salmon can change the address for the water rights associated with Basin 72 to the Salmon address-or if they must remain with the Boise address.

Coyne-4/17/15 Sent change of address form and letter

Cutler-4/25/15 Sent change of address form and letter

Gillette-5/1/16 Sent change of address and letter

Hicks, Mark-He sold this to Kathryn Savage and I checked the IDWR water records and she has the water rights in her name, so he can be taken off of the list.

Knox-4/15/15 Sent change of address form and letter

Perry-4/15/15 Sent change of address form and letter

Strope-4/4/15 Sent change of address form and letter

Thompson Creek Mine-contact should be changed to Bert Doughty-Chris Natoli no longer with Thompson Creek

Wells Fargo Bank NA, 3476 Stateview Blvd., Fort Mills, SC 29715, took the property back from Ted and Cathy Roberts. They have paid the assessment the last 2 years. The water right is 72-7282. I looked on the IDWR search and ownership still looks to be in Roberts' name. I can send them a reminder to get that changed when I send the assessment bill.

WESTERN STATES LAND MANAGEMENT INC-No longer owns the property. Thompson Creek Mine owns them and Thompson Creek has made the change of ownership-they show up as owners on the IDWR search page online, so Western States can be removed from the list

Windsor, Jake & Lacey, HC 67 Box 674, Clayton, ID 83227, water right 72-16907. I looked and they have filed the ownership transfer papers. This was one of Allen Anderson's former properties. They need to be added to your list.

Workman, Chad, I can't see in my notes when I sent him the change of address form, but went online and he DID get it changes. It is PO Box 124, Challis on IDWR's online search.
