OLD BUSINESS:

Snow Pack Measurement:

Royce Schwenkfelder talked with the Forest Service. The Snow Pack Measurement needs a new location for measurement to benefit the Little Weiser. Currently the measuring sight is at Jack Wright's property up the Middle Fork of the Weiser. Royce stated we need a measuring device in the upper basin. No action taken.

Coates Weir Repair:

Clifford Crossley & Ray Turnbull met with Glen Coates and discussed scaling down the project. Glen can do the repair with his backhoe. Glen gave a bid to the 67A Water District. No one got back to Glen as to the bid. The district asked Glen to proceed with the work when the water is lower.

Little Weiser River and District Weir Plan:

Royce Schwenkfelder reported seven representatives from the 67A attending the meeting regarding electronic devices for measuring. The company currently has an electronic measuring device at Lost Valley Reservoir. Jeff Dunham gave an overview of the meeting. He stated all the data basis is for 67A and a cell phone can receive the information which would help the water master.

Discussion was held as to looking for grants to help with the cost, security of the information, to maps showing locations of weirs and head gates, and the benefit of knowing what water comes in and what is being delivered.

It was mentioned that possibly 67A and LWID could pay it. 67A could purchase the device at Coates and one in the middle (behind Lakey's Café). It was presented to ask the LWID if they would consider putting in the devices at the reservoir and at the end of the water district. The plan is to set up another meeting before April for the LWID Board of Directors to meet with the representative of PivoTrac Water Works Limited and hear his presentation.

The cost is approximately \$1500 to install, \$500 to maintain and \$350 for calibration. The calibrations may need to be done every year. It was noted that each sight may cost differently. It was stated the Coates and Reservoir devices should cost the same. It was mentioned that the box at the reservoir may need to be calibrated and may need a solar panel to recover the speed and depth of water.

Motion was made by Jeff Dunham to put in electronic measurement devices at Coates and at Bob Elias' with the cost not to exceed \$6000.00 for the two. Seconded by Royce Schwenkfelder. Passed.

Committee members for the Electronic Measuring Devices are of Jeff Dunham, Royce Schwenkfelder, and Ray Turnbull.

Credential Committee: (Validates water use and oversees legal matters.)

No 2018 meeting minutes were presented. The 2019 Credential Committee consists of Judy Dietch, Dean Dunham, and Russell Mink.

Advisory Committee:

No 2018 meeting minutes were presented. 2019 Advisory Committee consists of Ralph Yantis, Royce Schwenkfelder, and Jeff Dunham.

New Business:

Nominations/Election of Secretary/Treasurer: Floor open for nominations. Motion was made by Jeff Glemser to retain Kathy Davis as secretary/treasurer for 2019. Seconded by Darren Coriell. Passed.

Discussion was held as to the Secretary/Treasurer's salary. Motion was made by Jeff Glemser to pay \$1000.00 for 2019. Seconded by Royce Schwenkfelder. Passed.

Nominations/Election of Water Master: Floor was open for nominations. Discussion was held as to salary and noted that the LWID is paying \$1.00 per mile to cover recommended costs. Motion was

made by Dale McKee to retain Clifford Crossley as water master for 2019 Seconded by Jeff Glemser. Passed.

Watermaster Clifford Crossley attended a Water Training meeting at which meeting all the water masters stated they needed at least \$1.00 per mile. It was noted the LWID has already approved to pay \$1.00 per mile for their ½ portion of the mileage/costs. Motion was made by Ray Turnbull for 67A to keep base salary at \$8000.00 (1/2 cost of \$16,000.00) and to pay \$1.00 per mile for ½ of the mileage. Seconded by Russell Mink. Passed.

Proposed 2019 Budget was presented by the Treasurer. Motion was made by Jeff Dunham to approve the 2019 Budget. Seconded by Jeff Glemser. Passed.

Assessments for 2019. No assessments were collected for the last two years. Discussion as held as to increase cost for the electronic measuring devices. Motion was made by Royce Schwenkfelder to set the assessments at \$50.00 per CFS for 2019. Seconded by Jeff Glemser. Passed.

Secretary/Treasurer asked the District if they would approve purchasing a lockable file cabinet for all the records of the 67A District. The LWID is willing to have the cabinet in their building. Motion was made by Scotti Yantis to purchase a lockable file cabinet. Seconded by Judy Dietch. Passed.

Water master thanked the water users for their cooperation in keeping the ditches clean and making sure their weirs worked. The District also expressed its thanks to Clifford as Water master. The Watermaster stated the District is in compliance with measuring devices and weirs for the IDWR.

Dear Water District Secretary,

Enclosed are several documents related to the annual water district meeting.

- 1) **Information form to provide the Idaho Department of Water Resources (IDWR) the date, time, and location of the next annual water district meeting.** Please complete the meeting information form and return it to IDWR. Upon receipt of the completed form, IDWR will send a meeting notice to each water user and interested party in the district. Meeting notices must be mailed no later than three weeks before to the meeting date. Therefore, to provide IDWR adequate time to create and mail the notices, please **return the completed form to IDWR as soon as possible or at least four weeks before the meeting dates.**
- 2) **List of water right owners within your district.** Look over the list and mark any name or address changes or additions. An accurate review of the list will ensure all users and interested parties are informed of the meeting. Return the corrected list with the completed meeting information form.
- 3) **Annual Meeting Checklist.** Per Idaho Code Title 42 Chapter 6 (Distribution of Water Among Appropriators), annual water district meetings must include (at a minimum) the actions outlined on the checklist. Fill out this form during the meeting and return with the meeting minutes or ensure your meeting minutes describe each of these actions.

If you are no longer the water district secretary or watermaster, please forward this to the current secretary or watermaster or return this correspondence to IDWR as soon as possible.

If you or water users have any questions or concerns about the annual water district meeting or ownership/address changes, please contact Anna Kaiser at (208) 334-2190 or Anna.Kaiser@idwr.idaho.gov.

Sincerely,

Anna Kaiser
Administrative Assistant
