Tim Luke, IDWR, called the meeting to order at 2:11 pm. Others in attendance were Ernie Carlsen (IDWR), Wendy Murphy (WD1), Val Schwendiman, Dale Swenson (Fremont Madison), John Millar (City of Rexburg), Kirk Mackert, and Jeff Raybould.

Tim gave an introduction regarding the creation of the district indicating Karl Dreher former director of the Department of Water Resources created the district December 29, 2006. A steering meeting was held 1/31/2007 to work on resolutions and meeting notices were mailed to water right holders within the district. All areas on the ESPA are now in a water district. There is the potential Water District 100 will be expanded in the future to include the Rexburg Bench. The district currently consists of 70-75 measured diversions; about 200 water rights; with total diversions in the district of approximately 170 including the small diversions. (This excludes water rights with just domestic or stock). He then presented the duties and requirements of the Watermaster. IDWR is proposing offering the Watermaster services for free for the first two years of this district.

Dale Swenson nominated Jeff Raybould for meeting chairman, John Millar seconded the motion and the motion carried. Dale Swenson then nominated Wendy Murphy as meeting secretary, Val Schwendiman seconded and the motion carried.

Jeff asked Ernie Carlsen to go over the presented resolutions. Ernie gave a brief overview of each of the resolutions. He also indicated WD100 would have a web site through the IDWR web site where meeting minutes and resolutions could be found. John Millar moved to have a minimum charge of \$25; Dale Swenson seconded this motion and the motion carried.

Jeff entertained a motion for accepting the resolutions. John Millar asked the numbering be corrected, and Tim Luke said resolution #8 should be amended to read, "Be it resolved". John Millar moved to accept the resolutions as corrected, and Val Schwendiman seconded the motion. Dale Swenson expressed some concern regarding the limit of advisory members not being defined in resolution #10. The motion to accept the resolutions as corrected passed.

Dale Swenson moved to have an advisory committee of five members with three irrigators, and two from other water uses. After some discussion Dale amended the motion to seven members with five irrigators, and two from other water uses. John Millar seconded this motion and the motion passed. The advisory members are irrigators – Rich Crapo, Guy Erickson, Dale Swenson, Randy Huskinson, and Mark Ricks; Municipal – John Millar, and Manager of Nor Sun.
