RE: Little Weiser River Water District # 67-A

Dear Water master:

Your Watermaster Oath of Office has been received by the Department. Enclosed is your Watermaster Certificate of Appointment.

You will take charge of the water of the district and distribute the same in accordance with the laws of Idaho and decrees of the courts. Distribution shall be in accordance with the terms and conditions of the user's respective rights, and as may be required by the Department of Water Resources. You should note that the enclosed Certificate of Appointment authorizes delivery of natural flow and also stored water pursuant to Section 42-801, Idaho Code.

Feel free to contact me at our Western Regional Office if you need assistance during the irrigation season, phone 334-2190.

Sincerely,

A handwritten signature in black ink, appearing to read "John Westra", is written over a horizontal line.
