RCD #	DIV #	NAME	CFS 2013	CFS 2014	CFS 2015	CFS 2016	CFS 2017	FIVE YEAR AVERAGE	ESTIMATED SHARE	MINIMUM	COST
-------	-------	------	-------------	-------------	-------------	-------------	-------------	----------------------	--------------------	---------	------

The numbers and formulas listed below are used to recalculate the assessment per 24 hr cfs after all of the \$60.00 users are sorted out. Cells y4 and AA4 used below are derived from the Macro which is located in columns P thru AA.

Adjusted 5 yr avg. (j1234-y4)	311,828.25	24 hr cfs
Adjusted Ass'ment (j1240-AA4)	\$270,040.00	
2nd unit cost (D1256/D1255)	0.8660	dollars per 24 hr cfs

Subject: RE: Little Wood diversion at Carey

Kevin,

Thank you for bringing this concern to our attention. Tim and I discussed this matter yesterday afternoon. I also contacted Bryan Wood, Water District 37N (Upper Little Wood River) Watermaster, and discussed recent river operations in the Carey area. Mr. Wood provided the following information...

The Little Wood Irrigation District began drafting Little Wood Reservoir on January 31st pursuant to US Bureau of Reclamation guidance by releasing approximately 250 cfs of water from the reservoir. This release amount was gradually increased. Mr. Wood indicated that it took a week for the water to reach Carey when flows were approximately 350 cfs. By February 10th, releases from the reservoir had increased to approximately 500 cfs. Mr. Wood indicated that at times the USGS gage below the reservoir was reporting higher values, but upon examination of the gage, it was discovered that ice issues were causing the higher reported values. Over the last few days, releases from the reservoir have been reduced as they get closer to their goal of drafting the reservoir to the 5,000 acre-foot level. Mr. Wood indicated that as of yesterday there was approximately 120 cfs flowing into the reservoir and they were releasing approximately 360 cfs from the reservoir. The plan is that once they reach the 5,000 acre-foot level of storage they will attempt to maintain that reservoir level by matching releases with inflow until the big runoff this spring. Mr. Wood indicated that all of the releases from the reservoir have been running down the Little Wood River channel towards Carey, minus 10 cfs being diverted into the East Canal and West Canal near the USGS gage below the reservoir. This water was being diverted into the canals in an effort to help clean these two canal channels (snow and ice) in preparation for the low elevation snow melt between Carey and the reservoir. Mr. Wood indicated that the water in these two canals is not even making it to Dry Creek (north of Carey). Water flowing in the Little Wood River channel below the reservoir heads towards Carey and then is split into "two river channels" near/at Carey (west of Highway 93). Both of these channels cross the highway, with the north channel heading east towards the desert & lava flows east of town, before heading south and then back west towards Silver Creek. The south channel crosses the highway and then heads in a more southerly direction, generally paralleling the highway on the east side of the highway. Mr. Wood indicated that there is a check board structure at this channel split and that they attempt to balance the flows in each channel. He also indicated that the north channel that heads east towards the desert has a significant amount of loss, in particular along the lava flow at the edge of the desert and indicated that some of the landowners in the area indicate that "it sounds like a toilet". Both of these channels come back together approximately 4.0 to 4.5 miles south of the Highway 20 and Highway 93 junction in Carey (roughly southwest of the bend in the highway south of town). Both channels cross back across Highway 93 as they head west before joining back together and then continuing on towards Silver Creek. Mr. Wood indicated that he would estimate that there is about 75 – 100 cfs in the Little Wood channel as it meets Silver Creek. He also indicated that during the last few weeks that most of the water coming down the Little Wood River towards Shoshone was due to Silver Creek flows.

Examination of the USGS website for the gage below Little Wood Reservoir (https://waterdata.usgs.gov/id/nwis/uv?cb_00060=on&cb_00065=on&format=gif_default&site_no=13148500&period=&begin_date=2017-01-31&end_date=2017-03-09), aerial photography, and maps corroborates the information provided by Mr. Wood. It seems to me that the main concern that some of the downstream water users may have is the running of water in the channel that heads east out of Carey towards the desert/lava. Mr. Wood indicated that there were "two river channels" with the north channel that heads east having significant loss. During my review of this matter, I noted that the USGS (Carey) quadrangle for the area identifies the north channel that heads east towards the desert and parallels the lava along the edge of the dessert as the "Little Wood River" with no other channels leaving Carey being identified as the Little Wood River.

Hopefully this will address the concerns that were brought to you. I would appreciate it if you could pass this information on to the water users you mentioned in your letter. If you have any questions, or want to discuss this matter any further, feel free to contact me at your convenience.

Subject: Little Wood diversion at Carey

Tim,
Corey and I spoke about this matter yesterday over the phone. The attached letter will give a little more detail, but simply put Bill Arkoosh is asking for releases from Little Wood Reservoir that are required by B.O.R. be kept in the Little Wood Channel and not be allowed to run into the desert where the flow does not return to the river. I believe this practice has been carried out for many years in large water years, but nobody has really taken notice. As I say in my letter, this is not my jurisdiction, but I told Mr. Arkoosh that I would request the IDWR look into it. I'm sure we'll be in touch.

Gentlemen:

On March 6, 2017 I was contacted by Bill Arkoosh of Arkoosh Hydropower about a possible illegal diversion from the Little Wood River at Carey, Idaho.

Yesterday March 7, 2017, I spoke to Corey Skinner concerning the matter and we discussed options available. At that time I told Corey that I would go to Carey and look into the matter. Upon arriving in Carey, I found by visual appraisal approximately 100 to 150 cfs flowing in the Little Wood River Channel upstream from the City of Carey. The river was then split with approximately half the flow traveling in a canal in an easterly direction and towards the desert east of Carey where it does not return to the river. The other half of the flow traveled in a more Southeast direction in the old Little Wood channel where it eventually flows toward Richfield and Shoshone. In my research, I did not find a water right in that area for recharge or stockwater from the Little Wood River.

This morning I spoke to Mr. Arkoosh and explained what I had seen. In our conversation, Mr. Arkoosh said that he does not want to force anyone to flood the City of Carey by forcing too much water where it will not fit, but on the other hand wants diversion without a water right to cease. I told him diversions in that area are in Water District 37N and are not in my jurisdiction and that I did not feel comfortable telling another Watermaster how to do his job. I told him that I would refer the matter to IDWR. Thus, the purpose of this letter is to formally request on behalf of water users within my jurisdiction that IDWR investigate this matter in an adjoining district not in my jurisdiction.

SCANNED

APR - 3 2017

In my conversation with Mr. Arkoosh, I said that the IDWR may not accept the request from me as Watermaster since it deals with matters outside of my jurisdiction. I told him that IDWR may require him to make the request instead. Mr. Arkoosh said that he would be willing to do that, but wasn't sure of the proper procedure in handling such a matter and wanted to be sure all of his bases were covered. Mr. Arkoosh also added that he had been in conversations with the individuals listed below and that he was informally representing them in this matter at this time.

3/8/17 consultation with Brian Wood

pub USBR drafting Little Wood

Releases from dam

started 1/31 @ 250 cfs and started increasing

took one week for water to get to Carey @ 350 cfs
by Feb 10 releasing $\approx$ 500 cfs from Dam

today 3/8 releasing 360 cfs and backing off

have to be @ 5000 AF by 3/15

current inflow is $\approx$ 120 cfs
to reservoir

once @ 5,000 AF will balance inflow/outflow
until big runoff starts

SCANNED
MAY 15 2018

* all water running down river channel minus 10 cfs in
East & West Canals (trying to clear channels) for
low runoff below dam this water not even making it
to Dry Creek channel $\approx$ north edge of Carey

River flows through town and splits into two
"River channels" (east & west)

East channel has lots of loss along lower flow

("sounds like a toilet") USGS Quad map shows this
channel as Little Wood River

east & west River channels come back together @ bend in
highway south of Carey above Silver Creek

guessing about 75-100 cfs emptying into Silver Creek

gages have
read higher
due to icing

WATER DISTRICT 37 ANNUAL MEETING

Meeting Minutes **DRAFT**

Monday, January 9, 2017 1:30 p.m.

The Community Campus, Minnie Moore Room, Hailey Idaho

RECEIVED

APR 04 2017

DEPT OF WATER RESOURCES
SOUTHERN REGION

Copies of the Agenda for Annual Meeting 2017, 2016 Meeting Minutes, 2017 Proposed Budget, Proposed Resolutions for 2017, Resolution No. 15 and Water District News and Updates were available at the sign in table.

ITEM #1. CALL TO ORDER AND INTRODUCTIONS

Watermaster Kevin Lakey called the meeting to order at 1:30pm.

ITEM #2 SELECTION OF A CHAIRMAN

Watermaster Lakey called for a nomination for chairman. Carl Pendleton made a motion to elect Rod Hubsmith as Chairman of the Annual Meeting. Sharon Lee seconded. There was no discussion. Motion passed unopposed.

ITEM #3 SELECTION OF SECRETARY

Chairman Hubsmith called for a motion to nominate a Secretary for the Annual Meeting. Carl Pendleton nominated Sunny Healey. Seconded by Sharon Lee. Call for alternative nominees. There was no discussion. Motion passed unopposed.

ITEM #4 APPROVAL OF MINUTES FROM THE 2016 ANNUAL MEETING

Time was given for members to review the meeting minutes. Larry Schoen noted a spelling correction to a name. Nick Purdy made a motion to approve the 2016 meeting minutes with the correction. Seconded by Pat McMahon. There was no discussion. Motion passed unopposed.

ITEM #5 PROPOSED RESOLUTION #15 SILVER CR/LITTLE WOOD AUTOMATED PRIORITY SYSTEM

Watermaster Lakey gave an overview of the WaterSMART grant application noting the governing body would need to approve the application and the deadline is today. The grant is for a pilot project to build an automated priority notification system which would use telemetry with updates every 15 minutes. The system would use, in-line meters, submerged orifices, and a system of sensors. The price is \$13,687.50, it is a 50/50 matching grant for water users who volunteer for the project. Dewey Hennig comment - Consider alleviating deputies and replace them with drones.

COMMENT/QUESTION: Larry Schoen - The diversion headgates are operated by individual water users. The watermaster doesn't always know when they get shut off. Will these meters be on all orifices?

Watermaster Lakey - No this is a pilot project.

Larry Schoen- Maybe there is a way to incentivize the notification to the watermaster when they shut off, pay them to report.

Watermaster Lakey - I don't see anything wrong with that. Might be substantial savings of water over a few days. This savings could mean a reinstatement of the junior water users priority. Discussion of incentivizing users to notify watermaster when not using their water.

Watermaster Lakey requested option to vote on all resolutions or vote on Resolution # 15 separately. Chairman Hubsmith suggested to vote on resolution separately. Chairman Hubsmith asked if anyone would like to vote for Resolutions with #15 added. Consensus to vote on #15 separately.

QUESTION: Wendy Pabich - What about larger grants like the BOR (Bureau of Reclamation)?

Watermaster Lakey-WD 37 teaming up with conservation groups and looking into other grants.

Pete Van Der Meulen - The Idaho Water Board also has grants available.

Carl Pendleton made a motion to pass Resolution No. 15. Seconded by Nick Purdy. No discussion. Motion passed unopposed.

ITEM #6 ADOPTION OF 2017 RESOLUTIONS

Kevin Lakey read and explained the Proposed Resolutions for 2017 Water District 37. He explained that assessments are usually sent out around the first week of February. Water users are required to pay their assessment before they get water. Lakey explained that Resolution #8 was changed at the 2016 annual meeting to allow the assessment of diversions for year around use. This was done because municipalities pay for year round use and it was thought that it would only be fair for all other users to be held to the same standard. Resolution #12a was explained in that any diversion without a working approved meter is charged for their full water right over 100 days. Resolution #13a was explained to describe the various methods and timing of how ground water is measured. Watermaster Lakey expounded on 13a and said that all wells had not been recorded twice per year as planned, but that meters with a history of faulty batteries would be targeted for reading in April, July, and September in the upcoming irrigation season. Resolution #14. Allows for an account to be referred to a collection agency if it is not paid for by May 31st. This system of collection has been very effective. Chairman Hubsmith called for questions.

Wendy Pabich asked how 100 days was derived on Resolution #12a?

Watermaster Lakey said that there was no real science used, some ran longer and some run shorter, 100 days is basically an average. Larry Schoen made the comment that some larger users are using over 100 days going into September and October.

Pat McMahon made a motion to pass the Proposed Resolutions for 2017 Water District 37. Seconded by Jerry Bashaw. There was no discussion. Motion passed unopposed.

SCANNED

APR 04 2017

ITEM #7 ADOPTION 2017 BUDGET

Watermaster Lakey read and explained the 2017 Budget items. No change in salary for the watermaster and secretary. extra labor decreased from cost of previous groundwater inventory effort. Workman's comp dropped 14%. We're working towards tightening the Budget and bring down the carryover. Silver Creek/Upper Little Wood has more diversions than other areas in the district. Watermaster Lakey called for questions.

2:00 pm – Nathan Erickson, IDWR joined the meeting.

QUESTION: Larry Shoen – Do employees pay for insurance?

Watermaster Lakey – They chose to have insurance instead of a raise.

COMMENT: Larry Schoen – Believed that a 1% raise for employees salary is appropriate to reflect cost of living and meet daily expenses. Discussion on salary and economy.

COMMENT: Nick Purdy – It is unusual to cover all the health insurance, we should stick with it but next year give them a raise.

QUESTION: Chairman Hubsmith - How much more is insurance?

Cyndi McCowan - 17% (see budget) for the medical insurance portion. The total budget was reduced by 1%.

Jerry Bashaw made a motion to approve the 2017 Budget. Seconded by John Miley. There was no discussion. Motion passed unopposed.

ITEM #8 SELECTION OF ADVISORY BOARD MEMBERS

Watermaster Lakey noted that advisory board members are gracious enough to volunteer and read nominee names and introduced the members. Some members could not make it to the meeting due to inclement weather.

2017 Advisory Board for Water District 37 Nominees

(2) Big Wood River Representatives:

1- Above Magic Sharon Lee

1- Below Magic Howard Morris

(1) Little Wood River/Silver Creek Nick Purdy

(1) Hydropower Bill Arkoosh

(2) Canal Companies/Irrigation Districts

1-2016 Rep – American Falls Res. Dist #2 Rod Hubsmith

1-2016 Rep – North Side Canal Company Mike Elliott

(1) Groundwater Municipals Pat McMahon

(1) Groundwater Small Users (Less / 40 Acres) Dave Bell

(1) Groundwater Large Agricultural (Larger / 40 Acres) Rob Struthers

Watermaster Lakey called for volunteers to run for the Water District 37 Advisory Board.

Chairman Hubsmith requested nominations of individuals. There were no volunteers, no new nominations. Chairman Hubsmith called for a motion to approve the advisory board.

Carl Pendleton made a motion to approve the Water District 37 Advisory Board. Seconded by Sharon Lee. There was no discussion. Motion passed unopposed.

ITEM #9 DISTRICT NEWS AND UPDATES (# 10 on agenda)

UPDATE: Watermaster Lakey - Seametrics AG2000 meters have had battery failure issues and have been removed from IDWR's approved meter list. If a person has an AG2000 and it fails, it needs to be replaced. Discussion on batteries. AG 2000 meters will be checked three times per year, April, July and at the end of the season. Groundwater measurement is 93% complete with fifteen wells in the south valley and 30 in the Galena Ground Water District not yet compliant for a total of, forty-five wells not measured. There are still some big ag and multi-use housing units that are unable to be measured.

UPDATE: HWY 93 wetland/flooded field project. Nick Purdy gave an overview of the proposed Silver Creek HWY 93 wetland area stabilization project. Call for interest to take project on. There was discussion of the project history, details, wetland delineation and maintenance, sediment levels, and a Supreme Court case. Nick estimated that the amount of water lost in the area is near the amount the callers are seeking. The Attorney General still maintains there can be no involvement in the project by the Water District.

COMMENT: Larry Shoen – There may be a conflict up north between FEMA federal regulations vs state law for floodway at diversion (42-3806). Discussion.

COMMENT: Nick Purdy – Thanked Kevin and Cyndi for the great job they do.

ITEM # 10 ADJOURN (#11 on agenda)

Rod Hubsmith called for a motion to adjourn. Pepin Corso-Harris made a motion to adjourn the meeting. Seconded by Carl Pendleton. No discussion. Motion passed unopposed. Meeting adjourned 2:34pm.

Respectfully,

Rob Struthers, Chairman

Sunny Healey, Minutes Secretary

(This report must be certified and made in duplicate, one copy to be forwarded to the appropriate regional office of the Idaho Department of Water Resources., and one copy to the Secretary of the Annual Water User's Meeting of the Water District. If a designated county collects funds for the water, then a third copy must be sent to the auditor of the designated county.)

Shoshone, Idaho, March 9, 20 17

I HEREBY CERTIFY that the within is true and correct copy of the budget as adopted at the annual Water User's Meeting of Water District No. 37, held at Hailey, Idaho on the 9th day of January, 20 17 and all resolutions adopted at said meeting pertaining to the time and the manner of collecting the amounts provided for in the said budget.

Cyndi McCowan
Secretary, Water District No. 37

SCANNED
APR 04 2017

ADOPTED RESOLUTIONS FOR 2017 WATER DISTRICT 37

1. BE IT RESOLVED that hereafter the annual meeting of Water District 37 shall be held on the second Monday of January of each year.
2. BE IT RESOLVED that for the year 2017, a charge of \$60.00 shall be assessed to each individual who owns a water right, whose share of the total budget is less than the above specified amount.
3. BE IT RESOLVED that the amounts payable by each ditch, Canal Company, or other water user, as shown by the approved budget, shall become due and payable on April 1st and said amount, if not paid, shall bear a penalty of 10% and interest from that date until paid, at the rate of 1% per month.
4. BE IT RESOLVED that in accordance with Idaho Code 42-618 that no ditch, Canal Company, or other water user shall have the right to demand and receive water, and the Watermaster shall not deliver to such person or persons, until the amount due and payable from such users, as fixed by the budget, has been paid.
5. BE IT RESOLVED that the Watermaster of the district shall be in service for the full year, commencing on February 1st of each year and continue until the following January 31st, or until a successor has been duly qualified and elected.
6. BE IT RESOLVED that the Deputy Watermaster(s) of Water District 37, may remain in service for 12 months from the date of hire. The Watermaster may hire additional assistants as authorized in Idaho Code 42-609 in an emergency.
7. BE IT RESOLVED that in accordance with Idaho Code 42-605A, all non-consumptive Hydro Power water users shall be charged at a rate of 2.0% for the total amount of water delivered through their system.
8. BE IT RESOLVED that assessments, shall be based upon the total amount of annual water delivery, regardless of use or timing, as fixed by the approved budget. Hydro power will be assessed based on the total amount of water delivered through their system as referenced in Resolution #7.
9. BE IT RESOLVED that Kevin Lakey shall be elected Watermaster of District 37 for the ensuing year beginning February 1, 2017 and ending January 31, 2018, and that he shall be authorized to hire a full-time staff.
10. BE IT RESOLVED that Cyndi McCowan shall be elected Secretary-Treasurer, for District 37 for the ensuing year, beginning February 1, 2017 and ending January 31, 2018.
11. BE IT RESOLVED that the elected Treasurer of Water District 37 should only disburse monies from water district accounts upon a voucher approved by the Watermaster. All district checks can be signed either by the Treasurer or Watermaster, but must be co-signed by individual(s) approved by the Advisory Board.
12. BE IT RESOLVED that the 2017 assessments shall be calculated over a five-year average, according to Idaho Code 42-612 paragraph 5 which reads as follows: Other provision of Chapter 6, title 42, Idaho Code, notwithstanding, water users at the annual meeting may provide by resolution the respective amounts owed by each water user as shown in the adopted budget shall constitute a final determination of the amount due for that year without the need to carry forward any water user debits or credits to the following year.

12A. WHERE AS groundwater diversions were added to Water District 37 in 2013. WHERE AS not all groundwater diversions were measured in 2013 and an equitable method of estimating ground water use must be determined in order to calculate groundwater assessments. BE IT RESOLVED if a groundwater irrigation diversion does not have flow data for its delivery, the assessment will be estimated using the full water right and charged for 100 days of use and that rate will be used to calculate the five year average. Additionally, all other groundwater diversions that do not have flow data will be charged based on type of water use using the full use portion over its full season of use (i.e. commercial-snowmaking for 168 days, domestic and municipal for 365 days, etc). These rates will be used to calculate the five year average.

13. BE IT RESOLVED the Watermaster shall require lockable and controllable measuring devices to monitor the flows of water both from and back to the main source from which water has been diverted. He shall have the authority to investigate, enforce and act accordingly with the Code of the State of Idaho.

13A. WHERE AS the collection of accurate data and assessment requires frequent monitoring of diversions. WHERE AS frequent monitoring will require extra labor and cost. WHERE AS excessive costs may create undo hardships on some water users. BE IT RESOLVED that in order to insure accurate data collection, but also control costs, groundwater diversions using meters will be recorded twice per year. Diversions that have been allowed power consumption coefficient and time clock variances will be measured and calibrated every three years and power usage will be calculated annually.

14. WHERE AS the Water District 37 assessments are due by April 1 of each year and whereas, some diversions either do not receive water or have lockable controlling works. BE IT RESOLVED that if a customer's account(s) has not been paid in full by April 1 of the year assessed, the delinquent account(s) will be referred to a credit reporting agency after May 31 of that year. At which time, the customer will not again be contacted by Water District 37 but instead will deal solely with the collection agency where a contingent rate and applicable fees will be applied to the unpaid assessment(s). This will warrant that all claims by the collector will be valid, legally enforceable and comply with all applicable laws.

15. WHERE AS there are times when downstream senior users on the Little Wood River decrease or shut off diversions. WHERE AS the Water District may not become aware of diversion changes until month or year end. WHERE AS if the Water District were aware of downstream diversion reductions, they could reinstate upstream junior diversions more quickly. LET IT BE RESOLVED THAT Water District 37 will apply for a Bureau of Reclamation WaterSMART grant to help fund a pilot project to build an automated priority notification system (apns).

The pilot project for the apns will consist of developing 15 diversions in 2017 that will be equipped with telemetry to read and report diversion rates every 15 minutes to the water district office. Water District 37 will pay for telemetry on 9 diversions with single sensing units at a cost of \$1475 each. Six diversions with submerged orifices will be fitted with double sensing devices at a cost of \$2350 each. Total cost of sensing devices and telemetry for the project would be \$27375.00. The WaterSMART grant is a 50/50 matching grant, so if successful Water District 37 would be responsible for its share of \$13687.50. Water District expenses will be taken from the project savings account. To insure water user accountability and buy-in, water users who volunteer to be a part of the project are required to replace any mechanical meters or unapproved measuring devices with IDWR approved meters. Water users with approved measuring devices will be required to insure that measuring devices are kept in proper working order and measuring accurately.

AGENDA FOR ANNUAL MEETING Water District 37

Monday, January 9, 2017

1:30 p.m.

The Community Campus, Minnie Moore Room, Hailey Idaho

1. Call to Order and Introduction
2. Selection of Chairman
3. Selection of Secretary
4. Approval of Minutes from the 2016 Annual Meeting
5. Proposed Resolution #15 Silver Cr / Little Wood Automated Priority System
6. Adoption of 2017 Resolutions
7. Adoption of 2017 Budget
8. Selection of Advisory Board Members

2017 Advisory Board for Water District 37

Nominees

(2) Big Wood River Representatives:

1- Above Magic

Sharon Lee

1- Below Magic

Howard Morris

(1) Little Wood River/Silver Creek

Nick Purdy

(1) Hydropower

Bill Arkoosh

(2) Canal Companies/Irrigation Districts

1-2016 Rep – American Falls Res. Dist #2

Rod Hubsmith

1-2016 Rep – North Side Canal Company

Mike Elliott

(1) Groundwater Municipals

Pat McMahon

(1) Groundwater Small Users (Less / 40 Acres)

Dave Bell

(1) Groundwater Large Agricultural (Larger / 40 Acres)

Rob Struthers

10. District News and Updates

11. Adjourn

Discussion of Amendments to the agenda, if needed, as provided by Idaho Code 67-2343 (4)

*Any person needing special accommodations to participate in the above noticed meeting should contact the Water District office at 208-886-2451, 1 day prior to the meeting.

The office is located at 107 West 1st, Shoshone, Idaho.*

Water District News and updates

- The Seametrics Ag 2000 magnetic meter has been removed from the IDWR approved meter list. The meters have an extremely poor battery life as well as a weak seal between the throat of the meter and the display unit. Currently installed 2000s will be allowed to remain in place, but if the meter fails it must be replaced. Battery failure does not constitute meter failure. If a battery fails, the battery must be replaced ASAP. The cost of yearly battery replacement makes it cost effective to hard wire meters after two years. There are Solar adapter kits available for artesian wells with no power supplies, but new batteries must be installed in conjunction to insure hard wiring is effective. Of the 25 Seametrics 2000 meters in the Water District, 12 had battery failure issues and one had a flooded display unit.
- Ground water meters will be checked in April, July and season end in 2017 to more quickly identify faulty meters.
- Ground water measurement requirements are approximately 93 % complete basin wide.
- The project to stabilize banks along Silver Creek at the Highway 93 wetland continues to move ahead with work being performed and funded by individuals in cooperation with some conservation groups in the area. Losses from the river in the area were measured at approximately 10 cfs during low flows this past summer. Permitting requirements hampered efforts to accomplish any work in 2016, but work could possibly begin in late 2017.

If you are so inclined to receive communication via email from Water District 37, please include your email address when you send in your assessment payment. This is voluntary and your information will not be shared.

MEETING SCHEDULE WATER DISTRICT 37 2017

2 nd Monday in January	Annual Meeting
2 nd Tuesday in February	Audit Presentation
2 nd Tuesday in April	General Business
2 nd Tuesday in September	Budget Planning
2 nd Tuesday in December	Finalize Budget and Annual Meeting Discussion

PROPOSED RESOLUTIONS FOR 2017 WATER DISTRICT 37

1. BE IT RESOLVED that hereafter the annual meeting of Water District 37 shall be held on the second Monday of January of each year.
2. BE IT RESOLVED that for the year 2017, a charge of \$60.00 shall be assessed to each individual who owns a water right, whose share of the total budget is less than the above specified amount.
3. BE IT RESOLVED that the amounts payable by each ditch, Canal Company, or other water user, as shown by the approved budget, shall become due and payable on April 1st and said amount, if not paid, shall bear a penalty of 10% and interest from that date until paid, at the rate of 1% per month.
4. BE IT RESOLVED that in accordance with Idaho Code 42-618 that no ditch, canal company, or other water user shall have the right to demand and receive water, and the Watermaster shall not deliver to such person or persons, until the amount due and payable from such users, as fixed by the budget, has been paid.
5. BE IT RESOLVED that the Watermaster of the district shall be in service for the full year, commencing on February 1st of each year and continue until the following January 31st, or until a successor has been duly qualified and elected.
6. BE IT RESOLVED that the Deputy Watermaster(s) of Water District 37, may remain in service for 12 months from the date of hire. The Watermaster may hire additional assistants as authorized in Idaho Code 42-609 in an emergency.
7. BE IT RESOLVED that in accordance with Idaho Code 42-605A, all non-consumptive Hydro Power water users shall be charged at a rate of 2.0% for the total amount of water delivered through their system.
8. BE IT RESOLVED that assessments, shall be based upon the total amount of annual water delivery, regardless of use or timing, as fixed by the approved budget. Hydro power will be assessed based on the total amount of water delivered through their system as referenced in Resolution #7.
9. BE IT RESOLVED that Kevin Lakey shall be elected Watermaster of District 37 for the ensuing year beginning February 1, 2017 and ending January 31, 2018, and that he shall be authorized to hire a full-time staff.
10. BE IT RESOLVED that Cyndi McCowan shall be elected Secretary-Treasurer, for District 37 for the ensuing year, beginning February 1, 2017 and ending January 31, 2018.
11. BE IT RESOLVED that the elected Treasurer of Water District 37 should only disburse monies from water district accounts upon a voucher approved by the Watermaster. All district checks can be signed either by the Treasurer or Watermaster, but must be co-signed by individual(s) approved by the Advisory Board.
12. BE IT RESOLVED that the 2017 assessments shall be calculated over a five-year average, according to Idaho Code 42-612 paragraph 5 which reads as follows:

Other provision of Chapter 6, title 42, Idaho Code, notwithstanding, water users at the annual meeting may provide by resolution the respective amounts owed by each water user as shown in the adopted budget shall constitute a final determination of the amount due for that year without the need to carry forward any water user debits or credits to the following year.

12A. WHERE AS groundwater diversions were added to Water District 37 in 2013. WHERE AS not all groundwater diversions were measured in 2013 and an equitable method of estimating ground water use must be determined in order to calculate groundwater assessments. BE IT RESOLVED if a groundwater irrigation diversion does not have flow data for its delivery, the assessment will be estimated using the full water right and charged for 100 days of use and that rate will be used to calculate the five year average. Additionally, all other groundwater diversions that do not have flow data will be charged based on type of water use using the full use portion over its full season of use (i.e. commercial-snowmaking for 168 days, domestic and municipal for 365 days, etc). These rates will be used to calculate the five year average.

13. BE IT RESOLVED the Watermaster shall require lockable and controllable measuring devices to monitor the flows of water both from and back to the main source from which water has been diverted. He shall have the authority to investigate, enforce and act accordingly with the Code of the State of Idaho.

13A. WHERE AS the collection of accurate data and assessment requires frequent monitoring of diversions. WHERE AS frequent monitoring will require extra labor and cost. WHERE AS excessive costs may create undo hardships on some water users. BE IT RESOLVED that in order to insure accurate data collection, but also control costs, groundwater diversions using meters will be recorded twice per year. Diversions that have been allowed power consumption coefficient and time clock variances will be measured and calibrated every three years and power usage will be calculated annually.

14. WHERE AS the Water District 37 assessments are due by April 1 of each year and whereas, some diversions either do not receive water or have lockable controlling works. BE IT RESOLVED that if a customer's account(s) has not been paid in full by April 1 of the year assessed, the delinquent account(s) will be referred to a credit reporting agency after May 31 of that year. At which time, the customer will not again be contacted by Water District 37 but instead will deal solely with the collection agency where a contingent rate and applicable fees will be applied to the unpaid assessment(s). This will warrant that all claims by the collector will be valid, legally enforceable and comply with all applicable laws.

RESOLUTION NO. 15

Water District 37 will apply for a
WaterSMART grant for
Small Scale Water Efficiency Projects

WHEREAS: There are times when downstream senior users on the Little Wood River decrease or shut off diversions after a Deputy Watermaster has passed and the Deputy may not return to the diversion for two to three days.

WHEREAS: If the Water District were more instantly aware of downstream diversion reductions, they could reinstate upstream junior diversions more quickly.

LET IT BE RESOLVED THAT: Water District 37 will apply for a Bureau of Reclamation WaterSMART grant to help fund a pilot project to build an automated priority notification system (apns) to allow faster delivery changes when senior demand changes.

The pilot project for the apns will consist of developing 15 diversions in 2017 that will be equipped with telemetry to read and report diversion rates every 15 minutes to the water district office. Water District 37 will pay for telemetry on 9 diversions with single sensing units at a cost of \$1475 each. Six diversions with submerged orifices will be fitted with double sensing devices at a cost of \$2350 each. Total cost of sensing devices and telemetry for the project would be \$27375.00. The WaterSMART grant is a 50/50 matching grant, so if successful Water District 37 would be responsible for its share of \$13687.50. Water District expenses will be taken from the project savings account. To insure water user accountability and buy-in, water users who volunteer to be a part of the project are required to replace any mechanical meters or unapproved measuring devices with IDWR approved meters. Water users with approved measuring devices will be required to insure that measuring devices are kept in proper working order and measuring accurately.

The Wood River Land Trust and The Nature Conservancy have volunteered to organize and help write the WaterSMART grant.

WATER DISTRICT 37
MINUTES OF THE ANNUAL WATER USERS MEETING

Monday, January 11, 2016 1:30 p.m.
Lincoln Co. Community Center, Nance Hall, Shoshone, Idaho

Watermaster Kevin Lakey welcomed everyone to the meeting.

ITEM #2 SELECTION OF A CHAIRMAN

Sharon Lee made a motion to nominate Rob Struthers as chairman of the annual meeting. Seconded by Gary Osborne. There was no discussion. Motion passed unopposed.

ITEM #1 CALL TO ORDER AND INTRODUCTION

Chairman Struthers called the meeting to order at 1:34 pm and read the agenda items aloud. (Copies of 2016 Annual Meeting Agenda, 2015 Annual Meeting Minutes, proposed Resolutions for 2016 Water District 37, and proposed 2016 Budget available on table near entrance to Nance Hall)

ITEM #3 SELECTION OF SECRETARY

Sharon Lee nominated Sunny Healey as secretary of the annual meeting. Seconded by Pat McMahon. Jerry Bashaw made a motion to close the nominations. Gary Osborne seconded. There were no discussions. The motions passed unopposed.

ITEM #4 APPROVAL OF MINUTES FROM THE 2015 ANNUAL MEETING

Chairman Struthers allowed time to review 2015 annual meeting minutes. Gary Osborne made a motion to approve minutes from the 2015 annual meeting. Seconded by Dave Copper. Motion passed unopposed.

ITEM #5 ADOPTION OF 2016 DISTRICT 37 BUDGET

Watermaster Lakey gave an overview of the 2016 budget. Detailed explanations: Items 5001-5005 3% increase in salary for all employees. Item 5005 Below Magic employee will stay on ½ month extra. Item 5006 due to near completion of groundwater inventory, Extra Labor dropped to \$5000. Item 5015 went up due to planning of hiring employees for groundwater activities. 5021 cost of medical insurance increased. 6007 small increase. 6009 remote monitoring stations to be installation on Silver Creek. 6011 Auto Expenses fuel prices decreased. Item 6501 for Extra Labor was removed, as it was included in 5006. Added Idaho Power Cloud Seeding. New legislation allows assessment for cloud seeding. District 37 is working with Carl Pendleton and the Wood River RC&D in this effort. Total proposed budget \$309, 250.74

Chairman Struthers commended the secretary and watermaster for a reasonable budget. Carl Pendleton made a motion to adopt the proposed budget for 2016. Seconded by Dave Cropper. No discussion. Motion passed unopposed.

ITEM #6 PROPOSED CHANGES TO RESOLUTIONS #2, #7, #8 and #11

Watermaster Lakey read proposed resolutions for 2016 aloud and explained changes:

2. The minimum use fee changed from \$50 to \$60
7. Hydropower water assessment changed from 15% to a rate of 2%
8. Hydropower assessment will be based on the total amount of annual water delivery as fixed by the approved budget and assessed by the total amount of water delivered through their system.

Watermaster Lakey explained proposed changes for 2016. Reason for changes 2, 7, and 8: Hydropower use was formerly charged at 15%. The rate is based on watermaster time and expense. Hydropower requested a reduced rate commensurate to watermaster time and expense. \$22,000 was assessed last year for the six hydropower plants in District 37. \$18,637 decrease in Hydro Power assessment for 2016. Per Idaho Code, 832 assessments increased from \$50 to \$60 to help make up for hydropower portion of the budget.

11. Due to named persons' changes in availability to sign checks, District 37 is requesting flexibility on co-signature. District 37 is requesting the advisory board nominate 2-3 approved individuals in lieu of naming specific individuals in the resolution.

Chairman Struthers called for discussion on changes. There was no discussion.

ITEM #7 ADOPTION OF RESOLUTIONS FOR 2016

Pat McMahon made a motion to adopt Proposed Resolutions and changes to proposed resolutions for 2016. Motion seconded by Gary Osborne. Call for discussion. No discussion. Motion passed unopposed.

ITEM #8 SELECTION OF ADVISORY BOARD MEMBERS

Chairman Struthers announced the advisory board Water District 37 nominees:

2016 Advisory Board for Water District 37 Nominees

- | | |
|--|---------------|
| (2) Big Wood River Representatives: | |
| 1– Above Magic | Sharon Lee |
| 1– Below Magic | Howard Morris |
| (1) Little Wood River/Silver Creek | Nick Purdy |
| (1) Hydropower | Bill Arkoosh |
| (2) Canal Companies/Irrigation Districts | |
| 1-2016 Rep – American Falls Res. Dist. #2 | Rod Hubsmith |
| 1-2016 Rep – North Side Canal Company | Mike Elliot |
| (1) Groundwater Municipals | Pat McMahon |
| (1) Groundwater Small Users (Less / 40 Acres) | Dave Bell |
| (1) Groundwater Large Agricultural (Larger / 40 Acres) | Rob Struthers |

Chairman Struthers called for additional nominations.

Carl Pendleton made a motion to approve board nominees. Motion seconded by Katie Breckenridge.
Call for discussion. No Discussion. Motion passed unopposed.

ITEM #9 DISTRICT NEWS AND UPDATES

Water Collaboration within WD 37 –Keri York. Cancelled.

Watermaster Lakey- Status of the District

There are 550 groundwater accounts. There are not necessarily 550 wells. There are wells in municipal areas that have been abandoned. There are measurement devices for 85% of the total volume of groundwater. Of the 15% remaining, there are 50-60 owners total and 25 well owners that have been contacted on multiple occasions. Some owners are out of state. Of the 15% that are not yet measured, some will get notices and District 37 will continue to try to work with others. The remaining 15% of volume is estimated so the 85% measured volume may be more or less.

Note: The water calls are not on the agenda and will not be. Request for information will be forwarded to Sharon Lee from the South Valley Groundwater District (SVGWD) and Pat McMahon from the Galena Groundwater District (Galena GWD).

Question Chuck Newell: What is the water outlook on the snow?

Watermaster Lakey– It is early to forecast based on snow. The snowpack is reported at 118%. The weather reports forecast that there may be some more weather patterns coming in. Anecdotally the numbers are better up by Fairfield.

Question Patty Lucene: Have you been able to take advantage of the cloud seeding with the storms?

Answer John Bowling: There is good snowpack. We did do a lot of cloud seeding and our ground generators are working. If the storm for January 14th turns out as predicted we'll be able to use aircraft and ground generators in central and south central Snake River Valley.

ITEM #10 ADJOURN

Gary Osborne made a motion to adjourn. Motion seconded by Dave Cropper. No Discussion. Motion passed unopposed.
Meeting adjourned 2:08 pm.

Respectfully,

Rob Struthers, Chairman

Cyndi McCowan, Sec /Treas

Sunny Healey

Hahn, Carrie

From: Shaul, Sarah
Sent: Tuesday, December 20, 2016 3:49 PM
To: Hahn, Carrie
Subject: RE: WD 37 MEETING NOTICES

Carrie,
I forgot to confirm with you yesterday that the WD37 meeting notices were mailed yesterday, December 19.

Check that one off your list!

Best Regards,
Sarah Shaul
