Re: Minutes of the Goose Creek Water District 45-C

The meeting was called to by Watermaster Michael Poulton at the Oakley Canal Office. The following people were in attendance- Kelly Adams, Jared Bedke, Richard Austin, Kent Aasu IDWR, Jana Reeder IDWR, Brandon Bedke, Chantry Whittle, Dave Mabey NRCS, Michael Poulton and Bud Bedke. The first order of business was to re-appoint the existing officers. Michael Poulton will remain Watermaster and Kelly Adams will remain Secretary. The minutes of the 2016 annual meeting were approved as written. The budget was approved as previous years. There is no budget. The same resolutions adopted in the previous years were adopted for the 2017 water year. The watermaster presented the annual report and after member approval and handed them to the IDWR members who were present.

Much of the meeting was discussion about the current flooding conditions and the damage that was occurred by the landowners. Dave Mabey from the NRCS presented various programs that are available to help with the expenses of repairs to ditches, hay stacks, fences, roads, sediment, irrigation lines and bridges. It was very helpful and appreciated. The members would like to thank the folks from the IDWR and Mr. Mabey NRCS for attending our meeting. They answered a lot of questions and were helpful and knowledgeable.

The meeting was adjourned by the Watermaster at 3p.m.

Please send any correspondence pertaining to Water District 45-C to Watermaster Michael Poulton @P.O. Box 279 Oakley Idaho 83346 or to Secretary Kelly Adams @P.O. Box A Burley Idaho 83318.

Re: Minutes of the Goose Water District 45-C

The meeting was called to order at 1p.m. by Watermaster Michael Poulton on March 14, 2016 at the Oakley Canal Office. The following members were in attendance- Michael Poulton and Kelly Adams. The low turn-out was probably due to the last minute re-scheduling of the meeting date due to the death of Mr. Dallen Elquist.

The first order of business was to appoint officers. Being as that the only people present was the Watermaster and Secretary, both volunteered to serve in the same positions for the upcoming water year. The minutes of the 2015 annual meeting were read and approved as written.

The budget was approved as the same as previous years. There is no budget monies collected. The Water Right Holders maintain their own workings and measuring devices. The Watermaster approves the maintenance and controls the measurement of water. The same goes for the need of a Treasurer. It was decided that the same resolutions adopted in the previous years be adopted for the water year 2016. The Watermaster presented the annual report and a copy accompanies this document.

The upcoming water year should be better than the two years previous.

Please send any correspondence pertaining to Water District 45-C to Watermaster Michael Poulton @P.O. Box 279 Oakley Idaho 83346 or to Secretary Kelly Adams @P.O. Box A Burley Idaho 83318.
