**ANNUAL MEETING MINUTES
WATER SUB-DISTRICT 71, STANLEY AREA
MONDAY MARCH 20, 2017, 1:00 PM
STANLEY RANGER STATION**

RECEIVED
MAY 01 2017
DEPT OF WATER RESOURCES
SOUTHERN REGION

The meeting was called to order by Brett Woolley at approximately 1:35 pm. Several Advisory Committee members were delayed due to an earlier meeting.

Present were: Cliff Hansen-Rancher, Advisory Committee Member for 71 and 170, David Bennion-Member and Secretary of Stanley Lake Creek Water Users Assoc., Jim Humphrey-H-Hook Ranch, Rancher, Brett Woolley-Woolley Ranch, Barry Neiwert-Association President for WoHelo Subdivision, Fisher Creek, Tom Stuart-landowner, Jeff Ballas-Representative for Fisher Creek Partners/Rocky Mountain Ranch, setting in for Bill Lavelle, Cindy Yenter-170 watermaster, and Amy Cassel, IDWR Water Transactions Program.

Brett Woolley made the motion that Cliff Hansen Chair the meeting, Jim Humphreys seconded the motion. Motion passed unanimously.

The 2016 minutes were read. Motion to accept the minutes was made by Tom, seconded by Jeff. Motion passed unanimously.

There was a proposal made to replace Bill Lavelle on the Advisory Committee with Jeff Ballas, and for David Bennion to take the seat formerly held by Sherrill Baird. The Advisory Committee composition and members are contained in the Resolutions and final vote will take place when the Resolutions are adopted.

The Chairman asked for the Financial Report. Cindy presented in Melodie Baker's absence. We have a carryover of \$4,500. There was brief discussion about applying a portion of the carryover to this year's assessment and carrying over the rest. A much longer discussion ensued about the sale of the Fury-Racine property and the sale of the rights to the Idaho Water Resource Board (IWRB). With these rights no longer diverted and in the water bank, the District loses this contribution to the budget. The IWRB will rent the rights to help meet minimum instream flows on Goat and Meadow creeks, and has made an offer to the Water District for a lump sum payment to help pay for administration of instream flows and offset budget losses for a long-term period (100 years). This offer is still being considered by the Advisory Committee. Members are concerned about carry water for remaining rights.

The Chairman asked for the Watermaster's Report. Cindy presented in Morgan Miller's absence. We are gathering more information on the diversions and adding mostly small water users who are subject to administration but not required to measure. These users are charged a minimum charge which helps offset the budget and subsidize the rest of the larger users. Cindy also presented a watermaster report for WD170 including an overview of activity in other subdistricts.

Proposed budget - the proposed budget made no changes to watermaster or secretary/treasurer salary, and only a minor adjustment for federal mileage charge. Motion was made by Tom Stuart to adopt the

budget at \$14,160 and rollover \$2,000 of the carryover and so the assessments to collect this year will be \$12,160, second by Brett Woolley. Motion passed unanimously.

RESOLUTIONS:

Advisory Committee will be modified as discussed earlier.

Watermaster- Morgan Miller agreed to serve as watermaster again. Brett made the motion to keep Morgan Miller as the Watermaster. Seconded by Barry.

New Sub-District 71 Representative for 170-There was discussion on Cliff staying as the representative for 71 for WD170 meetings. The decision was to keep Cliff in that position for now even though he is usually out of state in January. He can designate another Advisory member to attend the 170 meetings.

New Resolution-The advisory committee of Sub-District 71 shall be given authority to negotiate with the Idaho Water Resource Board on the Western Rivers transactions project. Chairman of the advisory committee may execute any necessary documents.

Cindy asked for a single motion to adopt all changed resolutions including Advisory Committee, Budget, and Powers and Duties of Advisory Committee. Motion made by Tom, seconded by Brett. Passed unanimously.

Cliff asked if we needed to have an audit. Cindy thinks we are way under the required limit to have audits.

Amy Cassel presented some additional clarifying information about the pending Fury Transaction and administration of instream flows.

The Chairman asked if there was any other business. None was presented.

Motion was made to adjourn by Barry, Second Jeff. Motion passed unanimously. Meeting adjourned 2:25 pm.

Respectfully submitted,

Melody Baker, WD71 Secretary/Treasurer
