**ANNUAL MEETING MINUTES
72D – CLAYTON AREA WATER DISTRICT
MARCH 20, 2017**

Meeting was called to order by Wayne Baker.

Present were: Cindy Yenter IDWR and 170 Watermaster, Jeff Richards Idaho F&G, Lura Baker, Ron Yacomella, Sande Hill Yacomella, JR Baker, Justin Baker, Richard Giampedraglia-Thompson Creek Mining, Ron Vernia, Brent Cutler, Aaron Satthoff, Wayne Baker, Melodie Baker, Gary Ingram, Paul May

Richard Giampedraglia was nominated as Meeting Chairman by JR Baker and Melodie Baker Second. Melodie Baker is the Meeting Secretary. Motion passed unanimously.

Everyone read the 2016 meeting minutes. Paul May moved to accept the minutes and Wayne Baker second. Motion passed unanimously.

ADVISORY COMMITTEE: Richard asked for the election of the advisory committee. Cindy read off the current: Area 1-Thompson Creek Mine-Richard Giampedraglia, Squaw Creek-Tom McGowan, East Fork-Wayne Baker, Main Salmon-Howard Cutler. Paul May moved to keep the current committee, Justin Baker second motion. Motion passed unanimously.

TREASURER'S REPORT: Richard asked Mel to give the financial report. We collected all but a four assessments. As for the expenses, the watermaster was a little bit higher this past year, because he was called out to take care of some issues and the treasurer's cost was also up a bit, because I send out information about change of address or ownership to those that need to update the information with IDWR, which is an additional job taken on over the last couple of years. Not much difference other than the mileage rate went down. We have carryover, but when we talk about the budget, we will discuss this.

There was no report on WD170 Advisory Committee as our Representative, Tom McGowan, was not present.

RESOLUTIONS: One small modification was made with the advisory committee in adding Richard Giampedraglia as the Thompson Creek Representative. No other modifications need to be made unless someone else is voted in.

BUDGET-Cindy presented the proposed budget-Increased the wages to \$6,000, which is 300 hours at \$20/hour, since we went over a little to make sure we have that covered. Brent asked to go to contract labor instead of as employee, which his job does fit and so we can take off the payroll tax part of the budget, because we no longer will need the \$700 for that and will also decrease some of Mel's work in filing payroll reports and making payments. The mileage budget went down a bit and supplies and miscellaneous stayed the same. The budgeted amount for the treasurer stayed the same. The total proposed budget is \$12,230.00. We have \$4,958.45 and we can use this carryover to cover the budget or build a buffer with some of the carryover. We are getting more of the diversions and use accounted for which will help to lower the assessment individually. Melodie suggested we keep some of the carryover as a buffer. There was discussion on if the assessment is reasonable or does it need to be changed. Paul asked that the issue be studied as he felt we need to justify our water system for everybody and I need to contribute my part to justify it. Next year Cindy will have several samples of options on the minimum assessment to review. The decision was to keep the minimum user rate at \$50. Paul May made a motion to approve the proposed budget, resolutions, Watermaster-Brent Cutler and Treasurer-Melodie Baker and Lura Baker second the motion. Motion passed unanimously.

WATERMASTER'S REPORT-Need a better headgate on one of the diversions. Need a few more measuring devises, but we will work on that. Not that many yet to include.

DISTRICT 170 REPORT-Cindy made this report. An office was opened up in Salmon and Cindy moved to Salmon and so will be able to get the rest of the Lemhi and the rest of the Salmon Basin and will now be able to get out on the ground more being more locally Got some more measuring devises in Pahsimeroi and helped some of the districts improve their record keeping. Clayton and Stanley Basin's Watermasters will return again this year.

Hi Carrie:

Some of the changes are below. I know these continue to be a mess. I'll keep working on things.

You still have Thomas Codd in the system and I show that he sold to 2 people: Lot 4 to Bruce and Linda Sharts and Lot 1 to Johnny JR and Janie Sudik. I have notes from 7/11/16: "I had a call from Cynthia Sharts 520-749-8842 that they own the Codd property and needed to know how to pay it. Called her and she said she had heard that the Codd family had never paid the assessment. I looked it up and they have paid it every year since 2010. She gave me her email address of brucesharts@earthlink.net and I emailed her the bill. Her account is 122"

old Herrick

I also have notes that I emailed Cindy on 5/24/16 that we have a problem with the property and water rights in the Osprey Bend Subdivision formally owned by Herricks.

right still in
Herrick name

I just tried to look up Codd, Sharts and the water rights associated to them 72-16824B, 72-16827B, 72-16830B and can't bring up any of them. This was property formerly owned by Herrick. When I pull up the 72-16824 without the B, I get Herrick. So, maybe this needs some correction work.

Department of Lands-I can't remember exactly what happened, but I think they relinquished their rights????

CHANGE OF ADDRESS OR OWNERSHIP- I have attached my list of those for this past year. You already have some of the changes. I always send out the change of address or ownership forms as soon as I find out there is a change, but everyone doesn't always follow through. I haven't sent one to Wells Fargo for the land the now have from L&W Stone, but I will when I send the new assessment.

You can take the name of Western States Land Management off as the owner and show Thompson Creek as the owner (Western States Land Management was an interim managing agency and no longer is involved), not just in care of Thompson Creek Mine on the list. I looked online at the IDWR search and they are all listed under Thompson Creek Mine directly, but you do have the address correctly.

NEW ACCOUNTS: I didn't see an account number for Della Brower, so I put her account number as 125 and Mark Sharer is now account 126 and Cody & Heidi Gustin will be 127

I think Barbara Baures relinquished her right, but not sure. She doesn't come up on the IDWR site.

ALBERT CHORN There are 2 water rights on the IDWR site in Basin 72. One I am pretty sure is incorrect as it says it comes from Garden Creek and that is just out of Challis. Please check it. It is T14NR19E Sec 32 and that is out of Challis and should not be a water right with 72, I'm pretty sure. As for the other one, that is up by Robinson Bar and I did a 600 foot buffer of the area on the county ownership map and the list of ownerships

are below. So, I am pretty sure he should not be on the list and so I'm not putting him on the list for now- unless you find something else that shows he should be. It would be his heirs anyway, as he passed away quite a while ago.

Hi Carrie,

Attached is the notice for the SD 72D meeting.

1) As for the water user names and address, I have Charles Anderson. I tried to look him up in the IDWR Water Right Search and his name doesn't come up, but a water right showing ownership of Cody and Heidi Gustin (see info below) with water right 72-16648 comes up. The site no longer shows the previous owner, just the original owner, so can you check that and see if this WAS owned by Charles and now is owned by Cody? I don't see a Gustin on your list????
