Dear Water District Secretary or Watermaster,

Enclosed are several documents related to the annual water district meeting.

- 1) **Information form to provide the Idaho Department of Water Resources (IDWR) the date, time, and location of the next annual water district meeting.** Please complete the meeting information form and return it to IDWR. Upon receipt of the completed form, IDWR will send a meeting notice to each water user and interested party in the district. Meeting notices must be mailed no later than three weeks before to the meeting date. Therefore, to provide IDWR adequate time to create and mail the notices, please **return the completed form to IDWR as soon as possible or at least four weeks before the meeting dates.**
- 2) **List of water right owners within your district.** Look over the list and mark any name or address changes or additions. An accurate review of the list will ensure all users and interested parties are informed of the meeting. Return the corrected list with the completed meeting information form.
- 3) **Annual Meeting Checklist.** Per Idaho Code Title 42 Chapter 6 (Distribution of Water Among Appropriators), annual water district meetings must include (at a minimum) the actions outlined on the checklist. Fill out this form during the meeting and return with the meeting minutes or ensure your meeting minutes describe each of these actions.

If you are no longer the water district secretary or watermaster, please forward this to the current secretary or watermaster or return this correspondence to IDWR as soon as possible.

If you or water users have any questions or concerns about the annual water district meeting or ownership/address changes, please contact Rachel Neely at (208)334-2190 or Rachel.Neely@idwr.idaho.gov.

Sincerely,

Rachel Neely
Administrative Assistant

**WATER DISTRICT NO. 02 - MILNER TO MURPHY
2017 ADOPTED RESOLUTIONS**

The water users of Water District 02 (Snake River from Milner Dam to Murphy Gage below Swan Falls Dam), meeting at the annual district meeting on Tuesday, January 10, 2017 at Mountain Home, Idaho, HEREBY ADOPT THE FOLLOWING RESOLUTIONS:

1. That the watermaster perform the duties as required by Chapter 6, Title 42, Idaho Code and in accordance with the duties described in the Final Order Creating Water District 02, signed by the Director of the Idaho Department of Water Resources (IDWR), July 10, 2012.
2. That the IDWR be elected to provide the watermaster services for Water District 02 and that the Director of IDWR appoint Rob Whitney, an employee of IDWR, or other employees of IDWR as may be necessary, to serve as the watermaster for the ensuing year or as otherwise provided in Idaho Code §42-608.
3. Chris Alzola, be elected as Water District 02 secretary/treasurer, for the 2017 fiscal year and be compensated in the amount as approved in the 2017 annual budget. The duties of the secretary/treasurer for 2017 will be to prepare and collect annual assessments, maintain the Water District 02 checking account, approve expenses, oversee disbursement of Water District funds, and prepare and authorize a review of financial affairs of the district at the end of each fiscal year, in accordance with Idaho Code §42-619.
4. The budget for Water District 02 for the 2017 fiscal year, beginning February 1, 2017 and ending on January 31, 2018, shall be \$107,900 as shown in the attached itemized budget sheet.
5. The watermaster of Water District 02 is hereby authorized to collect the assessments of the water district in accordance with Idaho Code §42-618.
6. Given that the water district cost for administering water for many water users is greater than their normal assessments would be based upon their total water right, it is resolved that pursuant to Idaho Code §42-612(4) the watermaster of Water District 02 is authorized to assess a \$50 minimum charge for watermaster services to water users within his or her jurisdiction.
7. Whereas Idaho Code §42-612 and §42-615 require that proposed water district budgets and annual assessments to individual right holders be prorated based upon the amount of water delivered or used by individual right holders during the past season or seasons (not to exceed five seasons) and, whereas records of water delivery currently do not exist for all diversions within the newly created Water District 02, it is therefore resolved that Water District 02 will use water right acres for all water use that is consumptive to the Snake River within the district for the 2017 fiscal year. This type of assessment structure shall be reviewed annually and voted on by the water users of the district.
8. In accordance with Idaho Code §42-605A, it is resolved that the Idaho Water Resource Board (IWRB), holding the Bell Rapids water rights in Water District 02 (2-7353 and 2-10205), a majority of which are rented by the US Bureau of Reclamation for flow augmentation purposes, and the Idaho Power Company (IPC), holding numerous non-consumptive hydropower water rights in Water District 02, each be assessed 15% of the 2017 fiscal year budget amount as set forth in Resolution No. 4.
9. It is resolved that the owners or operators of all measuring devices must energize and continue to provide power to flow meters and/or telemetry equipment from March 10 through November 25 of each year to allow the watermaster to obtain diversion data within Water District 02.
- 9a. Installation and use of radio telemetry equipment on diversions (49 existing remote stations) within WD02 is intended to create efficiencies in data acquisition and reduce WD02's operational expenses. Lower operational expenses benefit all water users within WD02. It is therefore resolved that the operation and maintenance of

the installed telemetry stations will be the responsibility of WD02 and the current watermaster. Failed, broken or otherwise non-functioning components will be purchased and replaced by WD02 and the associated expenses accounted for in the WD02 budget. The owners of the 49 existing telemetry stations must allow access to these stations by the watermaster and watermaster assistants for the purposes of collecting data, and the repair and maintenance of telemetry equipment. Telemetry equipment does not include measuring devices and associated hardware or software needed by the water user to satisfy the requirements of the Measurement Order issued on August 26, 2013.

10. An advisory committee shall be elected to provide input to the watermaster and the Director of IDWR. Advisory committee seats for the 2017 fiscal year shall total nine (9). The number of advisory committee seats may be revised by adoption of resolutions at annual water district meetings. The advisory committee will meet as often as needed to address the structure, governance and operation of the district. A quorum shall be made up of a minimum of six (6) advisory committee members. Decisions or recommendations of the advisory committee must be made with at least 66% of advisory members present in favor. The advisory committee elected for the 2017 fiscal year is as follows:

Mark Henslee- Chairman
Jon Bowling
Mark Frost

Vic Conrad
Billy Wolfe
Mark Noble

Jeff Blanksma
Merrill Brown
Justin Wootan

11. The elected chair of the Advisory Committee for the 2017 fiscal year is Mark Henslee. The water users of Water District 02 hereby empower the elected chairman of the advisory committee, created herein to do the following as approved by the committee:

Enter into a Memorandum of Understanding between Water District 02 and the Department of Water Resources for watermaster services.

Enter into a service contract between Water District 02 and any qualified party, in exchange for monetary compensation, as necessary and as authorized by the adopted annual budget.

Authorize and schedule external financial reviews as needed.

12. The watermaster, working with the water district advisory committee, shall prepare a proposed budget prior to the annual meeting of the water users of Water District 02 in accordance with Idaho Code §42-605(A), §42-612, and §42-615.
13. The advisory committee shall make available a copy of the recommended resolutions, including the recommended budget, at least 30 (thirty) days prior to the annual meeting by posting the copy on IDWR's website. Any proposed changes to the resolutions made prior to the annual meeting will be highlighted. This shall not preclude any member from proposing any new resolution or proposing changes to resolutions at the annual meeting.
14. Current year assessments shall be due to Water District 02 on or before April 1 of each year.
15. All payments for assessments not received by January 1 of the year following the billing date shall accrue penalties in the amount of 10% of the charge plus interest in the amount of 1% per month, as of the April 1 due date and as provided pursuant to Idaho Code §42-617. It is resolved that the watermaster is authorized pursuant to Idaho Code §42-618 to withhold or suspend deliveries of water to any water user who has not paid their assessment charges by January 1 of the year following the billing date.
16. The annual Water District 02 meeting shall hereafter be held on the second Tuesday of January of each year unless the Director of IDWR should find it necessary to change the meeting date or unless changed by resolution of the district at any annual meeting. The 2018 annual meeting date shall be January 9, 2018.

17. The watermaster and watermaster assistants are authorized as employees of IDWR under Idaho Code §42-1701(5) to make reasonable entry on lands within the district, in accordance with IDWR policy, to carry out the duties of the watermaster as instructed by IDWR.
18. In the event that a vote by shares pursuant to Idaho Code §42-605(4) is requested during any annual meeting, a credentials committee will be assembled to determine the number of votes cast by individual water users. The credentials committee shall be comprised of the following parties:
 - a. the current appointed Watermaster
 - b. an IDWR representative (other than any IDWR representative who may be appointed as watermaster)
 - c. the current appointed secretary/treasurer
19. The advisory committee shall appoint three advisory committee members with signing authority to disperse water district funds with the secretary/treasurer. One of the two signatures required to disburse water district funds shall be the secretary/treasurer.

Dear Water District Secretary or Watermaster,

Enclosed are several documents related to the annual water district meeting.

- 1) **Information form to provide the Idaho Department of Water Resources (IDWR) the date, time, and location of the next annual water district meeting.** Please complete the meeting information form and return it to IDWR. Upon receipt of the completed form, IDWR will send a meeting notice to each water user and interested party in the district. Meeting notices must be mailed no later than three weeks before to the meeting date. Therefore, to provide IDWR adequate time to create and mail the notices, please **return the completed form to IDWR as soon as possible or at least four weeks before the meeting dates.**
- 2) **List of water right owners within your district.** Look over the list and mark any name or address changes or additions. An accurate review of the list will ensure all users and interested parties are informed of the meeting. Return the corrected list with the completed meeting information form.
- 3) **Annual Meeting Checklist.** Per Idaho Code Title 42 Chapter 6 (Distribution of Water Among Appropriators), annual water district meetings must include (at a minimum) the actions outlined on the checklist. Fill out this form during the meeting and return with the meeting minutes or ensure your meeting minutes describe each of these actions.

If you are no longer the water district secretary or watermaster, please forward this to the current secretary or watermaster or return this correspondence to IDWR as soon as possible.

If you or water users have any questions or concerns about the annual water district meeting or ownership/address changes, please contact Rachel Neely at (208)334-2190 or Rachel.Neely@idwr.idaho.gov.

Sincerely,

Rachel Neely
Administrative Assistant

Enclosures

Rob,
Please give
to Rachel.
Thank You,
Chris
