WD 72A Contacts

Cindy,

Carrie and I spoke with Sara about removing water masters from the contacts list. Her thoughts were to just update the contact to the new Water Master even though he/she has not officially been appointed. An act of God(IT) would have to be involved to remove the old Water Master from the list and leave it blank. The contact list is driven by the "appointed" year and is used for historical records and cannot be left blank or it will remove that record (year) is what I understood. Carrie has updated the Water Master for WD72A to David Philps on the website.

If you have questions you can call Sara.

Sorry 🟻

RE: WD72A

Cindy Philps promises to email her minutes over today so you can get watermaster appointed etc. Fortunately the prior watermaster has taken all the comment requests and other stuff he's received over to Cindy.

I note that the WM contacts for 72A have not been updated. Have you received minutes for this year?

David Philps (Cindy's husband) was elected watermaster and Merritt Philps (their son) will be assistant wm. It's a family affair.....
