RE: Water District 67A Little Weiser River

Dear Mrs. Voerman,

It is required that a copy of the minutes from the Annual Meeting for the district be on-file in the Western Regional office. As of the writing of this letter, the minutes from the 2014 Annual Meeting for Water District 67A are absent. Please send those to our office as soon as possible.

Thank-you in advance for correcting this situation. If you have any questions please call 208-334-2190.

Sincerely,

Re: Water District Meeting

Joe:

I planned to attend the annual water district meeting earlier this week but was not able to make it. I hope everything went well for you and the others. Please contact us at this office if you need any help at any time with your watermaster duties.

There are a couple questions if you have a cell phone. This will help us provide better service to the public.

1. Will you give us the number so we can get in touch more quickly?
2. Would you prefer if we gave the public your cell number or your home phone number for watermaster help?

Please call me at 208-334-2190 or write to the above address with your response at your earliest convenience. Thank you for your help and for all your watermaster service – it is not an easy job, as you know!

Regards,
