RE: Application for Permit No. 63-35665

Dear Applicants:

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the PRESS TRIBUNE on 3/6/2025 and 3/13/2025. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Lynne Evans
Administrative Assistant

Watermaster:

The Idaho Department of Water Resources (IDWR) is seeking written comment and/or recommendations from you regarding the above referenced water right application. You can find a copy of the application at: <https://research.idwr.idaho.gov/apps/waterrights/wrajsearch/wradjsearch.aspx>. Please review the application, then complete the attached recommendation form and return it to this office by March 24, 2025.

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

IDWR can finish reviewing an unprotested application as soon as the protest period has passed. Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation by March 24, 2025, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact this office if you have any questions regarding the application.

MEMORANDUM

February 18, 2025

Application for Permit: 63-35665

Author: bhowe

Subject: Application Review-Domestic Use in the South Canyon County Area of Concern

I spoke with the applicant and sent them an email on February 8, 2025. A water bearing zone of 350 to 440 feet was confirmed and the South Canyon County Area of Concern was discussed with the applicant. This application describes use consistent with IC 42-111. Domestic use as described by 42-111 is currently exempt in the state of Idaho. Based on the information reviewed I recommend the application is submitted for advertisement and further processing.
