Lynne,

As we discussed, this transfer was withdrawn several months ago, but as you discovered while archiving the file, we can't find evidence we ever sent out an acknowledgment. So, to be sure everyone is notified, I have signed an acknowledgment letter for you to please email (with attachments) to the parties on the certificate of service. Please forward this message along with the letter so folks have an explanation of either the delay or duplication of this letter, and our apology in any case...

Thanks,

Nick.
