Dear Applicant:

Last month the department sent you a letter describing the publication dates for the legal notice of your application. Unfortunately, due to a publication error with the Times News, the second publication for your notice did not run. Statute requires that legal notices be published for two consecutive weeks; therefore, the department must re-publish the legal notice for this application in that newspaper.

A legal notice of the application has been prepared and is scheduled for publication in the TIMES NEWS on 3/13/2025 and 3/20/2025. Protests to this application may be submitted for a period ending ten (10) days after the second publication

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the approval document.

Please contact this office if you have any questions regarding the application.

Sincerely,

Christina Henman
