RE: Water Permit 63-33957

Dear Property Owner:

The Department of Water Resources (Department) has reason to believe you may be the owners of all or part of the property associated with water right permit 63-33957 (permit). The permit authorizes a total diversion rate of 5.0 cubic feet per second of ground water for irrigation (250 acres) use in a portion of Section 11, Township 04N, Range 03W and Section 12 Township 04N, Range 03W, Canyon County.

According to Department records, the current permit holder is A J P FARMS INC. A condition of the permit required the permit holder to submit a proof of beneficial use statement to the Department on or before **March 1, 2025**. The Department notified The A J P FARMS INC by certified mail at 23546 Hartley Ln, Middleton, ID 83644-5829. The correspondence was returned to our office marked "return to sender- attempted- not known" by the US Postal Service.

If you are the current owner of the property appurtenant to water permit 63-33957, a Notice of Change in Water Right Ownership must be completed.

Along with the ownership change notice, you must submit either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* form. If the Department does not receive either a *Statement of Completion for Submitting Proof Beneficial Use* or a *Request for Extension of Time* by **March 1, 2025**, the permit will lapse.

I am enclosing a copy of the permit, a map showing the place of use, a Statement of Completion for Submitting Proof Beneficial Use, a Request for Extension of Time and a Notice of Change in Water Right Ownership form for your benefit. These forms can also be found on the Department's website, [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

If you have any questions, please contact me at (208) 287-4942.

Sincerely,

Jean Hersley  
Technical Records Specialist II
