WATERMASTER'S PROPOSED BUDGETDepartment of Water Resources
Eastern Region

Each watermaster shall, at least fourteen (14) days prior to the annual meeting of the water users of the water district, prepare a proposed budget for the upcoming year, together with a distribution of the pro rata amounts of the budget assessed to the respective water users or water delivery organizations using the actual volume of water delivered for the past season or seasons. **The proposed budget and distribution of pro rata assessments shall be presented to the water users for consideration and approval at the next annual meeting.** (§ 42-612, Idaho Code).

1. In the work space below, enter the past year or years watermaster salary, secretary and/or staff salaries, and expenses. Past season costs and expenses, or average past seasons' costs and expenses, may aid in determining next year's budget. A more detailed listing or itemization of expenses and salaries can be attached to this form.
