Subject: WD34 Assistant Watermaster & Watermaster Email Address

Hello,

I received an oath last week for a watermaster appointment within WD34 for Erinn Watson. Could you please provide me with their contact information so I know where to send the oath, and so I can ensure their information is correct in the water district records? (I need mailing address, phone number, and email if available.)

On a side note, I first sent this email to the watermaster34@atcnet.net address, but it was kicked back as an invalid address. Can you let me know if there's a different email for the watermaster specifically, or if I should just use this waterdist34@atcnet.net address for all WD34 correspondence?
