I just spoke with Jerry Kiser, attorney for the claimant. We negotiated
a settlement. Please adjust the digital boundary to delete public land
and remove the public land from the claim data as follows:

All in T05N, R01W:

Sec. 26 - NWSW

Sec. 27 - SESW and SESE

Sec. 31 - NESE and NWSE

Prepare appropriate SF-5s, but leave a blank under the signature line
for name of title of the signator. It will either the president or the
chairman of the board and Jerry didn't know which at this point.

When the SF-5s are done, call Fred and he will send them to Mr. Kiser to get the SF-5s signed, Mr. Kiser will send them back to Fred who will obtain IDWR concurrence and send them to me for signature, filing, and service.

Thanks,

Larry

Hi Fred,

I will work on these as soon as I can. It seems like we had the digital boundary changed, but I have to check. I have settlement conferences and then we are getting ready for a trial next week, so I'll be working on this in between. The status conference is in September, but don't worry I want to get it out of the way before the Part 3 objections start hitting us. Just an FYI

Jan

Nick,

RE: SF-5s Needed

Larry tells me that the parties realized at the status conference today that all the pieces of settlement are in place, so that SF-5s can now be created. I don't know what the settlement was for the BOR & Boise Board of Control objections to 63-31832. BLM's objection calls for some adjustments to the digital boundary and the underlying POU data (see attached BLM objection). Do you need anything from us?

Subject: B63 Lates

Hi Jan,

The attorney inquired about the reporting of the claims filed just before the DR in each basin for Greene Tree Inc. and Sun Valley in Basin 63 and Basin 37, respectively. Those numbers have not been forwarded to Craig to incorporate into the Late Claims data file to make sure we get them reported in the next Late and Misc Claims DR probably this fall.

comprehensive SF5
draft 6-5-07...

Gail McGarry jumped the gun on this one. Bryce Farris does not represent New Union Ditch Co. on this matter, although Gail thought he did. In any event the claimant did not show up at the status conference, so the SM set the subcase for a show cause hearing on 7-24-07 @ 11:00 a.m. In any event we can ignore this SF-5 for now. NBS
