TRUST AGREEMENT FOR THE
STACI PHILLIPS TRUST

THIS TRUST AGREEMENT is effective this 1st day of January, 1995, by and between RICHARD M. PHILLIPS, an unmarried person, of Boise, Idaho (hereinafter "Grantor"), and RICHARD M. PHILLIPS, an unmarried person, of Boise, Idaho (hereinafter "Trustee").

W I T N E S S E T H :

WHEREAS, Grantor desires to create hereby a trust of the property hereinafter described and such other property as may be added to said trust from time to time, all to the end of establishing an irrevocable trust for the benefit of the beneficiaries hereinafter set forth, and to do other things as hereinafter set forth;

NOW, THEREFORE, IT IS HEREBY DECLARED:

ARTICLE I

TRUST PROPERTY

The Grantor hereby irrevocably transfers, assigns, and delivers to the Trustee all his right, title, and interest in the property described in Schedule A attached hereto and made a part hereof, and the Trustee agrees to hold that property and all additions thereto and the income therefrom upon the terms and conditions hereinafter set forth. Additional property may from time to time be transferred by the Grantor or by any other person or persons to the Trustee with the Trustee's consent. Such additional property so received shall immediately become a part of the trust property and shall be held, managed, invested, reinvested, and disposed of on the same terms and conditions as the property described in Schedule A.

ARTICLE II

TRUST NAME

The trust created hereunder shall be known as the "STACI PHILLIPS TRUST."

ARTICLE III

TERM OF THE TRUST

This trust begins on the date of this Trust Agreement and ends on the earlier of (1) the date Staci Phillips (hereinafter "Beneficiary") terminates the trust by

exercising the Beneficiary's power to appoint the trust property; (2) the date of the Beneficiary's death if the Beneficiary has appointed the trust property in her last Will (unless the Beneficiary has directed that distributions be postponed, in which case the trust shall continue until the date distributions are to be made); or (3) following the Beneficiary's death, the date the youngest child of the Beneficiary attains the age of twenty-five (25) years, unless the Beneficiary is not survived by any children, in which case the trust shall terminate on the Beneficiary's death.

ARTICLE IV

appointment and shall be so interpreted. The Beneficiary may relinquish any and all powers granted to the Beneficiary herein over any portion or all of the trust property. If the Beneficiary relinquishes powers over a portion but not all of the trust property, the Trustee shall divide the property then held in trust and shall hold and administer any trust property over which the Beneficiary's powers vary in separate trusts. Notwithstanding the foregoing, the Trustee shall have the power to distribute to the Beneficiary such amounts from income and/or corpus as the Trustee determines in the Trustee's sole and absolute discretion are reasonable or desirable for the Beneficiary's health, education, support, and/or maintenance, after taking into account the Beneficiary's other resources. In addition, the Trustee shall, during the term of the trust, distribute to any issue of the Beneficiary such amounts as the Trustee shall determine are necessary or desirable for the health, education, support, or maintenance of the issue of the Beneficiary; provided, however, that, during the Beneficiary's life, the Trustee is prohibited from making any distribution that would discharge any obligation of support that the Beneficiary may owe to such issue.

ARTICLE VI

UPON TERMINATION OF THE TRUST

Upon termination of this trust, the Trustee shall distribute the trust property as directed by the Beneficiary exercising the general power of appointment granted the Beneficiary in Article V hereof. If the Beneficiary has failed to exercise the Beneficiary's general power of appointment, or if the Beneficiary has relinquished such general power of appointment, the Trustee shall distribute the property then held in this trust to those among Beneficiary's issue in such proportions and at such times as the Beneficiary directs in the Beneficiary's Last Will. If the Beneficiary makes no such direction, the Trustee shall distribute the property then held in trust to the Beneficiary's issue, *per stirpes*. If, upon termination of this trust, neither Beneficiary nor any of Beneficiary's issue, if any, are then living, the Trustee shall distribute the trust property among those persons constituting the class consisting of the issue of Jerrene T. Phillips' siblings plus the issue of Richard M. Phillips' siblings, *per capita*.

If, upon termination of this trust, any principal vests in absolute ownership in a minor, the Trustee may, in the Trustee's discretion, hold such interest in trust until said minor attains the age of twenty-five (25) years. The Trustee of any such continued trust will pay so much of the trust's net income and principal to the minor as the Trustee deems appropriate for the minor's health, education, support, or maintenance, adding to principal any undistributed income. When the minor attains the age of twenty-five (25) years, the Trustee will pay the minor all of his/her share of the remaining trust funds, and the trust will end. If the minor dies before attaining the age of twenty-five (25) years, the Trustee will pay all of such funds to whomever the minor appoints in his/her Last Will or, if no appointment is made, to the minor's estate.

ARTICLE VII

PAYMENTS DURING MINORITY OR LEGAL DISABILITY

During the minority or other legal disability of any person other than the Beneficiary to whom payments of income or principal are herein directed to be made, the Trustee may make the payments in any one or more of the following ways:

- (a) Directly to the beneficiary;
- (b) To the legal guardian or conservator of the person or estate of the person;
- (c) By expending the funds for the benefit of the person; or
- (d) By naming a custodian for the person (who may be the Trustee) under any appropriate Uniform Transfers to Minors Act, and making such payments to such custodian.

The Trustee shall not be required to see to the application of any payment so made, but receipts therefor shall be a full discharge of the Trustee.

ARTICLE VIII

SPENDTHRIFT PROVISION

Any person entitled to a distribution hereunder is hereby prohibited from anticipating, encumbering, assigning, or in any other manner alienating his or her interest in either principal or income, and is without power to do so. Nor shall such interest be subject to said person's liabilities or obligations, nor to attachments, executions, or other legal processes, bankruptcy proceedings, or claims of creditors or others. The Trustee may, however, deposit in any bank designated in writing by said person to his or her credit, income or principal payable to such person.

ARTICLE IX

TRUSTEE'S POWERS

The rights, powers, and duties of the Trustee with respect to the management and investment of the trust property, in addition to the powers conferred upon the Trustee by applicable law, shall be as follows:

- (a) Specific Trustee's Powers. Subject to Article X hereof, the Trustee shall have full power and authority to hold, manage, insure, improve, repair, and deal with all property, real and personal, at any time forming part of the trust property; to sell,

contract to sell, convey, transfer, exchange, partition, lease for any term within or extending beyond the duration of this trust, and to grant for like terms the right to mine or drill and remove therefrom gas, oil, or other minerals; to create restrictions, easements, or other servitudes on trust property; to mortgage, pledge, and otherwise dispose of trust property or any interest therein, all in the manner, for the consideration, and upon the terms and conditions as the Trustee, in the Trustee's sole and absolute discretion, shall determine; to employ agents and counsel, including legal and investment counsel, as may be reasonably necessary or desirable in managing, protecting, and investing the trust property, and to pay them reasonable compensation; to settle, compromise, or abandon all claims and demands in favor of or against the trust property; to accept, add to, hold, and retain as a part of the trust property or portion thereof any property of any kind or nature which may at any time be transferred, conveyed, or delivered to the Trustee by any person; to borrow money, either from the Trustee or from others, with or without security, for any purpose, and to assume the payment of and to extend and renew any indebtedness incurred by the Trustee or secured by any property which may at any time form a part of the trust property; to invest and reinvest the trust property in any stocks, bonds, mortgages, notes, or other securities or property of any kind or nature, real or personal, notwithstanding the investments may not be prescribed by law or rule of court for the investment of trust funds, and to change the investments; to buy, sell, hold, and otherwise deal in any and all commodities of every kind and description whatsoever, and to vote any corporate stock, either in person or by proxy, for any purpose; to exercise any conversion privilege or subscription right given to the Trustee as the owner of any security forming a part of the trust property; to consent to, take any action in connection with, and receive and retain any securities resulting from any reorganization, consolidation, merger, liquidation, readjustment of the financial structure, or sale of the assets of any corporation or other organization, the securities of which may constitute a portion of the trust property; and to cause securities or other property which may at any time form a part of the trust property to be issued, held, or registered in the individual name of any Trustee, or in the name of a nominee, or in such form that title will pass by delivery.

The Trustee shall be authorized and empowered, without limitation upon any other powers of the Trustee given herein, to retain the services of investment counsel to advise the Trustee in the investment of the trust property; and, while the Beneficiary is living, I direct that the investment counsel employed by the Trustee shall be designated by the Beneficiary. Compensation paid to the investment counsel shall be a proper charge against the trust.

(b) Discretion of Trustee. All discretion in this Trust Agreement conferred upon the Trustee shall, unless specifically limited, be sole and absolute, and its exercise shall be final and conclusive on all persons interested in the trust. The enumeration of some powers and discretions of the Trustee is not to be construed as limiting their general powers and discretions; nor are they to be limited by any statutory or common law rule, the Trustee being hereby vested with and having as to

the trust property all the powers and discretions that an absolute owner of property

no contributions to the trust have occurred for a period of three (3) years preceding

10. Termination - Upon termination of any trust created hereunder pursuant to

CORNEL LARSON shall serve as successors in the order listed. It is my intent that,

MISCELLANEOUS

(a) Governing Law. This Trust Agreement, including any determination of its validity, interpretation, or performance, shall at all times be governed by the laws of the State of Idaho.

(b) Separate Property Clause. Notwithstanding any community property law, the interest of the Beneficiary in this trust and the interest of any other person entitled to or receiving any property as a result of this trust is the sole and separate property of the Beneficiary and/or recipient, and such intention of the Grantor is by this reference so evidenced. The Trustee shall, and is hereby directed to, provide a statement in any document transferring any property pursuant to this trust that the property so distributed and the income therefrom is the sole and separate property of the distributee.

(c) Saving Clause. In the event any provision of this Trust Agreement shall be held to be invalid, illegal, or unenforceable in whole or in part, neither the validity of the remaining part of such provision nor the validity of any other provision of this Trust Agreement shall in any way be affected thereby.

(d) Gender. When appropriate, the singular as used in this Trust Agreement shall include the plural and vice versa; the masculine shall include the feminine and vice versa; and the neuter, if appropriate, shall include either the masculine or feminine, or vice versa.

(e) Accumulation Saving Clause. If any direction for the accumulation of income shall be held to be void, then, notwithstanding anything hereinbefore contained to the contrary, the income so illegally or improperly directed to be accumulated shall be paid to the Beneficiary.

(f) Perpetuities Saving Clause. Notwithstanding anything herein to the contrary, if this trust or any provision hereof shall violate any applicable rule against perpetuities or any similar rule or law, the Trustee is directed to terminate this trust (or that portion thereof if not all the trust is so limited) on the date limited by such rule or law, and thereupon the property held in this trust (or the applicable portion thereof) shall be distributed to the Beneficiary's issue, *per stirpes*.

(g) Parties Bound. This Trust Agreement shall extend to and be binding upon the Trustee, the Grantor, and the Beneficiary, and upon their heirs, personal representatives, successors, and assigns.

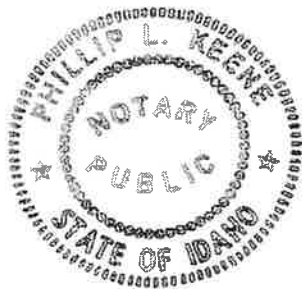

IN WITNESS WHEREOF, I have hereunto set my hand the day and year in this Trust Agreement first above written.

Dear Mr. & Mrs. Phillips:

We have received and processed a Change of Ownership for a portion of the original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of the original claims.

When a portion of the original water right has been conveyed to another and the original right has been split, then the original right number is renumbered to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new water right number reflects your remaining portion of the original right after the change of ownership. Enclosed is a copy of this new water right for your records. Please refer to your new number when corresponding with our office. Also enclosed is a copy of the Notice of Completed Administrative Proceedings, which has been sent to the SRBA Court as notification of this change.

If you have any questions concerning this ownership change, or the enclosed copy, please feel free to contact this office.
