<u>GOLIGHTLY AND E&M TRUST</u>)	ORDER DENYING TRANSFER

On February 27, 2025, the Regional Manager for the Eastern Regional Office of the Idaho Department of Water Resources ("Department") issued a Preliminary Order Denying Application for Transfer 89484 filed by Greg Golightly and E&M Trust ("Applicants"). The Preliminary Order included the following conclusion:

Applicants have not demonstrated that the changes proposed in Application 89484 will not injure other water rights or that the proposed changes will not result in an enlargement in use of water right 13-311. Therefore, Application 89484 should be denied.

On March 13, 2025, Applicants filed a timely *Petition for Reconsideration* ("Petition"), asking the Department to reconsider its decision to deny Application 89484. Applicants proposed to amend Application 89484 to address the injury and enlargement concerns. If the application is amended as described in the Petition, it may fully resolve questions of injury and enlargement. Therefore, the Petition should be granted and the Preliminary Order Denying Application should be withdrawn.

ORDER

IT IS HEREBY ORDERED that the Petition filed by Applicants is GRANTED.

IT IS FURTHER ORDERED that the Preliminary Order Denying Application (89484) is WITHDRAWN.

Dated this 17th day of March 2025.
