Good afternoon,

I am emailing you in regards to water right claim 97-4091 that was received by the Idaho Department of Water Resources (IDWR) on October 26, 2021. See attached document. After reviewing the claim, the form appears to be a copy and not the original document. IDWR requires the original form with the original signatures to be submitted in order to process your claim. Please mail the original claim form to the address provided below.

I will also reach out to you by phone and mail regarding the issue. If you have any questions, feel free to call or email me.

Sincerely,

Christopher Holmes
