IDWR recognizes that you intended to complete an ownership change as part of Transfer 89097 and 89103. However, Transfer 87097 and 89103 was withdrawn due to clerical errors and a lack of response from the applicant. Despite this, the ownership change may still proceed based on the deeds submitted with the transfer. To move forward, please complete and sign the attached form and return it to 900 N. Skyline Drive, Suite A, Idaho Falls, ID 83402. Our records show that the \$50 ownership change fee has already been paid, so no additional payment is required.

Because the Department cannot process the ownership change without proper documentation/fee, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your refund the filing fee and further action on the ownership change will be taken.
