## **RESOLUTIONS FOR WATER DISTRICT 37B**

1.BE IT RESOLVED that whereas Idaho Code Sections 46-612 and 42-615 require that proposed water district budgets and annual assessments to individual water right holders be prorated based upon the amount of water delivered or used by individual water right holders during the past season or seasons (not to exceed five seasons) it is therefore resolved that Water District 37-B will determine annual water use and assessments for all irrigation rights using the following formulas for the ensuing water year:

For those water right users who had approved measurement methods in use during the preceding water use year and used since installed, it will be their average seasonal use in acre-feet as measured and recorded by the Water master multiplied by the amount stated in the attached budget.

For water right users that did not yet have approved water measurement methods in use prior to the current water use year it will be their total authorized water right acres multiplied by one acre-foot per acre. This estimated seasonal use will then be multiplied by the amount stated in the attached budget.

2.BE IT RESOLVED that in accordance with Idaho Code all water user's assessments shall be based upon the total amount of yearly water delivery to pay the costs and expenses for the water master's services, which includes data collection, water measurement, delivery of water and administration. The Twin Lakes Canal Co has employees that maintain proper delivery of water and can efficiently measure the amount of the water that the company delivers and report the same to the district. This company will be allowed a rebate to compensate for such services. The amount of such rebate shall be set by the annual budget of WD37-B.

3.BE IT RESOLVED that any water user who uses water for any purpose before notifying the water master at the start of the season, will be penalized \$100.00 due and payable within 30 days of the notice of penalty.

4.BE IT RESOLVED that Rusty Kramer shall be elected water master of District 37-B for 2025.

5.BE IT RESOLVED that Matt McLam shall be elected treasurer for District 37-B for 2025.
