At the hearing on this on March 1, 2001, SM Cushman set a April 20, 2001 deadline for an SF5. I told Idaho Power we would prepare it and send it over to them.

Jan,

Have you or one of your agents worked on a corrected recommendation on this yet? The bar code shows that this file is in Scott Van Hoff's office - so I wasn't sure which agent would be working on it. Remember this is the one that had the wrong POD description - should be the SENENE of Section 26 and IDWR had NWSENW of Section 26 which would place the diversion in Cascade Reservoir ?? It was claimed with a Government Lot 5 description only - no quarter/quarter designation.

There is a hearing tomorrow (March 1st) - status/scheduling conference. Garrick is covering it, so please let us know when we can get the correction done and prepare the SF 5, so that he can relay that to the court.

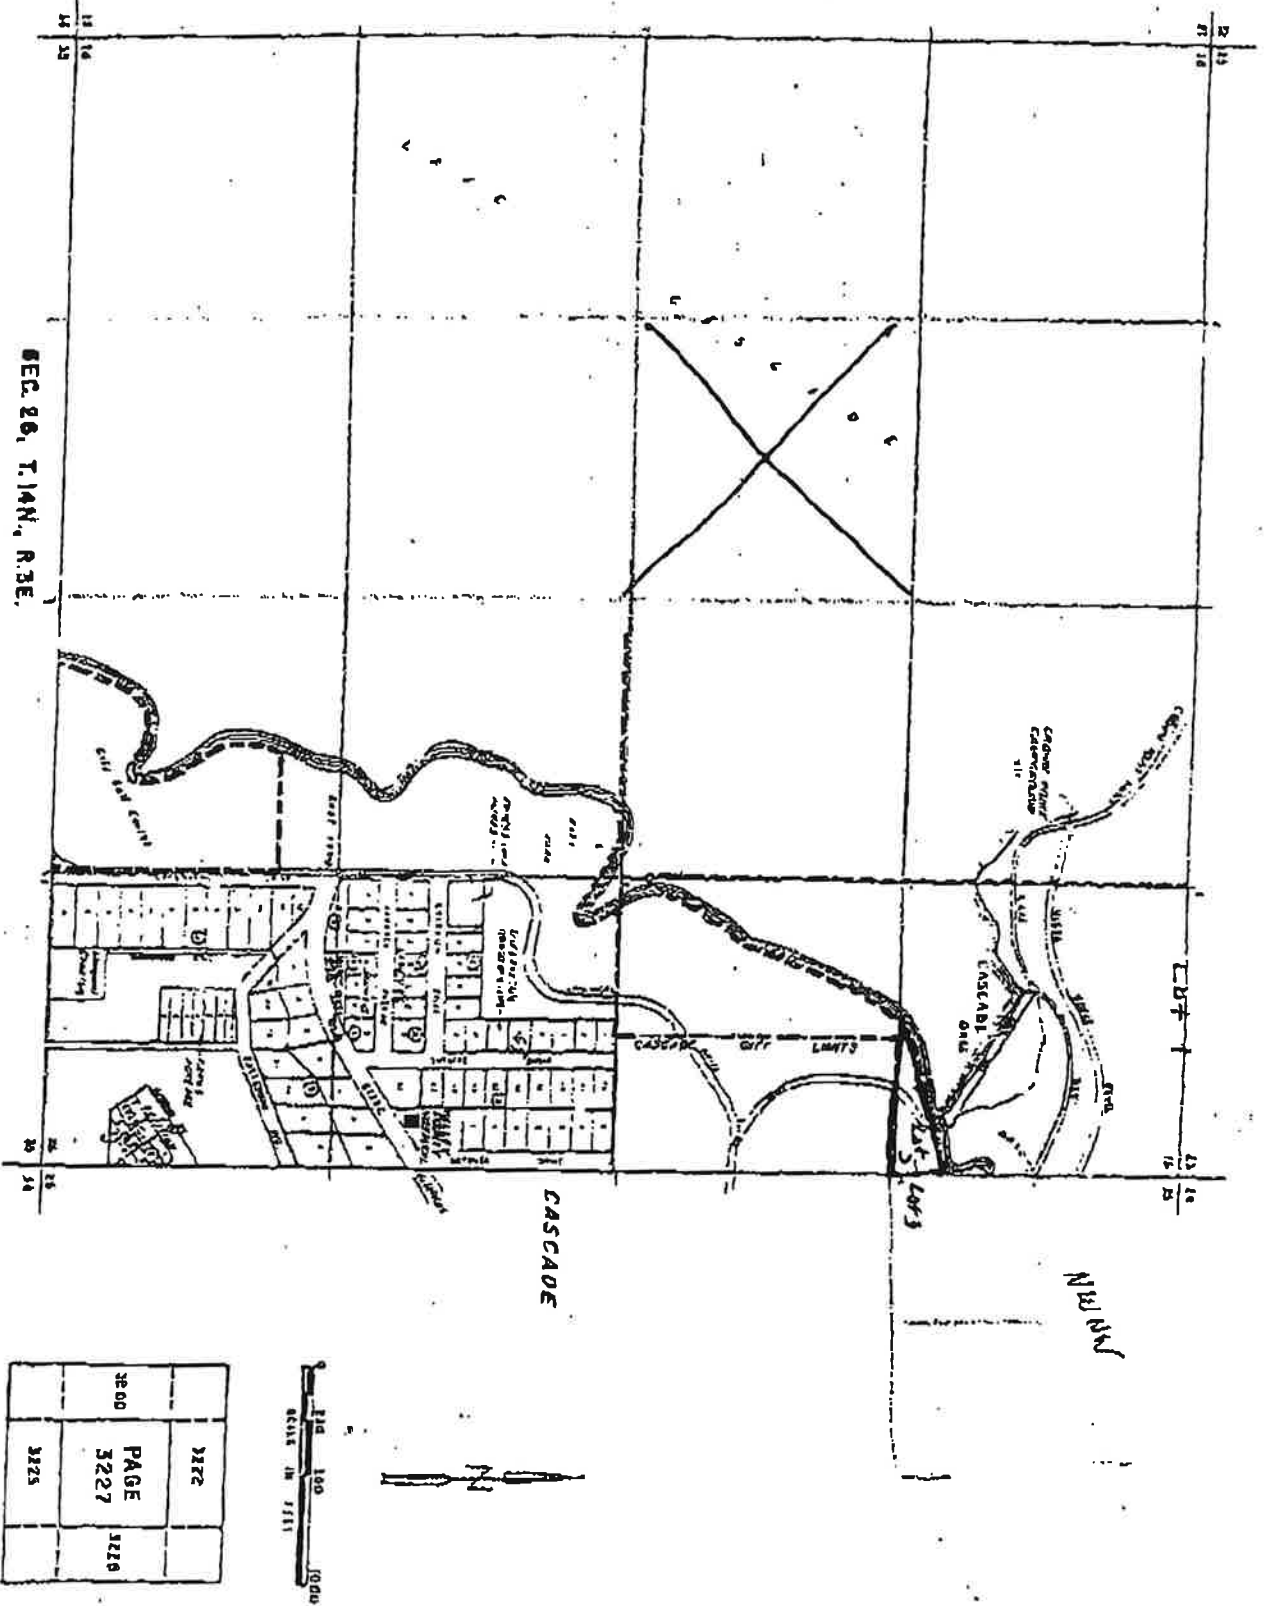

Thanks!
Becky

Water Right 65-22210

Case No. 39576

**ORDER SETTING ASIDE PARTIAL
DECREE; I.R.C.P. 60(a), (b)**

On December 13, 1999, the Idaho Department of Water Resources filed its *Director's Report for Irrigation & Other Uses, Reporting Area 15, IDWR Basin 65, Part 1* which contained IDWR's recommendation for the above water right. No objections were filed to this recommendation and the time for filing objections has passed.

On November 3, 2000, this Court erroneously entered a *Partial Decree Pursuant to I.R.C.P. 54(b)* for water right 65-22210. By statute, this *Partial Decree* should not have been entered until after a hearing was held on the uncontested portions of the Director's Report.

Pursuant to I.C. § 42-1412(7), "[f]ollowing hearing, the district court shall enter a partial decree as to those portions of the director's report for which no objection has been filed." The statute allows the court to exclude any "unobjected claim that may be affected by the outcome of a contested matter."

Hearing on the uncontested portions of the Basin 65, Part 1 and Part 2, Director's Report was held Tuesday, December 19, 2000. At the hearing, IDWR identified water right 65-22210 as one that could be affected by the outcome of the contested water rights.

THEREFORE, pursuant to the Court's own motion and I.R.C.P. 60(a) and (b), IT IS ORDERED that the *Partial Decree Pursuant to I.R.C.P. 54(b)*, entered November 3, 2000, for water right 65-22210 is set aside.

Dated December 21, 2000.

COMES NOW, James C. Tucker, counsel of record for Idaho Power Company, Claimant in the above-entitled subcase, and first being duly sworn upon oath, deposes and states as follows:

1. On or about March 10, 1998, I caused to be filed with the Idaho Department of Water Resources an adjudication claim for the above-referenced water

right. A true and correct copy of said claim is attached hereto as Exhibit "A".

2. At the time of filing the above-referenced claim, the point of diversion was identified as "Govt. Lot 5", without further designation.
3. The Director's Recommendation issued for the above-referenced water right included the following added designation under point of diversion: "NWSSENW".
4. Since the Director's Recommendation also included Government Lot 5 in the point of diversion for the subject water right, neither I nor my staff questioned the Department's additional designation in its recommendation.
5. It has recently been brought to my attention that the designated point of diversion in the NWSSENW of Section 26 in the Director's Recommendation is erroneous and would, in fact, place the diversion in the Cascade Reservoir, the correct designation being instead the SENENE of Section 26.
6. Affiant believes that the most expeditious manner in which to correct the erroneous point of diversion on this claim is to seek leave of this Court to file a late objection (see Exhibit "B" hereto) to the Director's Recommendation prior to the entry of a partial decree, and that an expedited hearing on this matter is, therefore, required.
7. Since the correction sought by a late objection is essentially a clerical correction to a previously uncontested claim, no injury will result.

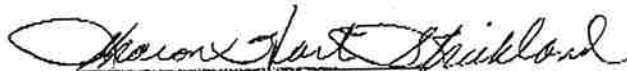

FURTHER AFFIANT SAYETH NAUGHT.

LIMITED POWER OF ATTORNEY

KNOW ALL MEN BY THESE PRESENTS:

Idaho Power Company, an Idaho corporation, hereby nominates and appoints James C. Tucker of the law firm of Rosholt, Robertson & Tucker, with offices in Boise, Idaho, and Twin Falls, Idaho, as attorney-in-fact with full authority to act for and on behalf of Idaho Power Company, to authorize, prepare, and/or sign any and all documents, claim forms, amendments, or any other document or instrument required or necessary to protect the interest of Idaho Power Company related to its water rights, including, but not limited to, any and all documents necessary to be filed in the Snake River Basin Adjudication.

Idaho Power Company's agent is hereby authorized to sign, seal, and deliver, as its act and deed, those said instruments of writing that may be necessary or proper to carry into execution and effect all claims relating to Idaho Power Company's water rights as above-mentioned. Further, Idaho Power Company hereby declares that each and every agreement, receipt, or payment which shall be by its said agent given, made or done for the aforesaid purposes shall be as good, valid, and effectual as if they had been signed, sealed, and delivered by Idaho Power Company in its own proper representative; and Idaho Power Company hereby undertakes at all times to ratify whatsoever its said agent shall lawfully do or cause to be done in or concerning the said premises by virtue of these presents.

IN WITNESS WHEREOF, Idaho Power Company has hereunto executed this Limited Power of Attorney this 14th day of August, 1992.
