Corey-

As discussed, attached is the amended water right transfer being filed in the name of Flying Squirrel Productions LLC which seeks to correctly identify the 40-acre tracts where the six water rights are being dried up (part 2B's), as well as the inclusion of a map showing the Bellevue Farms Landowners Association, Inc.'s remaining acres location post transfer approval.

Please let me know if you have any comments or questions, we look forward to transfer approval in the very near future.

Zach.
