RE: Change in Ownership Water Right Nos: 85-11211 & 85-15765

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of a Notice of Change in Water Right Ownership (Notice) for each of the above water rights. However, the proper conveyance documents were not supplied with the Notices.

The mortgage provided is not acceptable because it is not a conveyance document, and the deeds provided are not for the property where the two water rights are located.

Because the Department cannot process the Notices without proper documentation, we will hold any action on your notices pending receipt of the property deed(s). If we do not receive the necessary documents within 30 days of the date of this letter, we will return your notices and all attachments and your notices will not be processed.

Also, please note that water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to update ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2800.

Sincerely,

Micki Bowman
Administrative Assistant 1
