RE: Change in Ownership Water Right No. 22-14073, 22-14075

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional fee:** In order for the department to update the ownership of water rights, a copy of the recorded Warranty Deed or other legal document indicating your ownership in the water right or property is required. Please supply a copy of the recorded Warranty Deed or other legal document indicating your ownership. I spent some time looking on the Teton County website, however I did not find the Warranty Deed to LC Kunz Holdings LLC. Also please review the attached map, according to the parcel data this ownership change may require a split. If a split is required, the application will require an additional filing fee of \$150.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
